ACTIVITIES

Endless summer turns into the

Even on the first day of school students hesitate because they know once they're in, they're in to stay.

Seeing is believing — Burroughs students are always smiling.

Endless school year of 69/70.

Smiling Sophomores look forward to their next three pleasurable years at Burroughs High.

Excedrin headache number 70 hits MR. RAINE as he struggles to register students before school begins.

One of the first activities students engage in once they return to school is "Socializing" in the halls.

As the new school year began, John Burroughs had a total enrollment of approximately 1810 students, and 83 teachers to keep them in line. Of the three classes, the sophomores hold the edge in enrollment with 651, where as juniors have 597 and the seniors lag behind with 562. This year's exchange student, Nadar Cooperston, comes to us from Jordan, (the country, not the school) and is looking forward to an exciting stay in America.

One of the newest happenings at Burroughs is the revised dress code. Girls are finally allowed to wear pants. For boys, socks are no longer necessary and shirt tails are finally being freed. Speaking of dressing, the new girls gym is hopefully going to be completed by Christmas.

Pupils prepare for teachers

"Trouble" is having MR. MITCHELL repairing the A.V. equipment, only to have it unrepaired by other teachers.

School begins early for JANET WOODS and CINDY HARRIS as they decorate the main bulletin board.

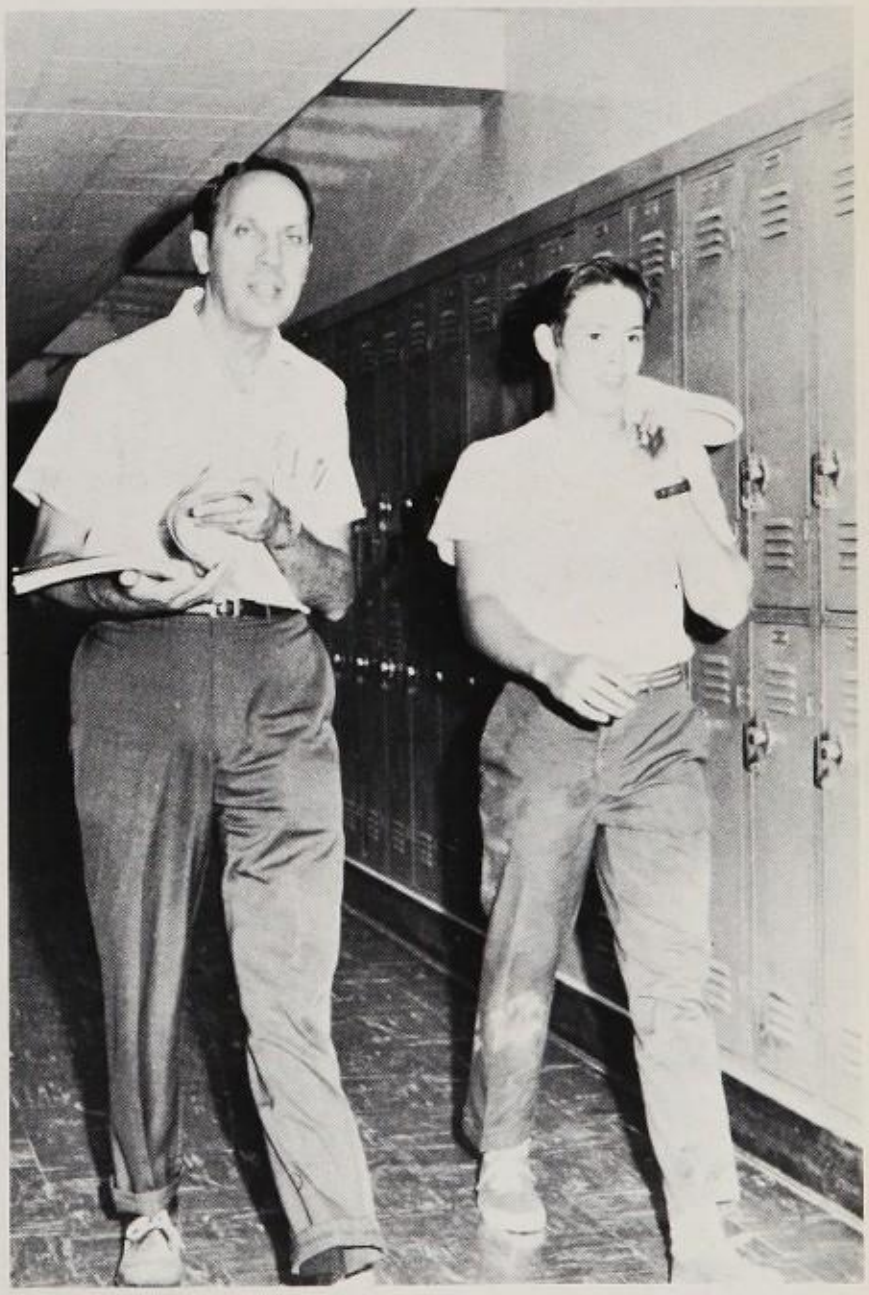
Preparing the first of many interesting, well-seasoned and provocative tests is Burroughs favorite couple, MR. CARPENTER and MISS LEONARD. "Are you grown-up enough to try one?"

Getting a preview of the first edition of Smoke Signal are members of the A.S.B. Cabinet.

Plans for the coming year were discussed by LINDA GIBBS, CATHY LINDER, CINDY HARRIS, and BETTY BUTTERFIELD at the A.S.B. orientation breakfast.

One of MR. ASPITTLE'S various responsibilities is helping students find part-time jobs.

Bandleader, MR. ROSE, shows sophomore, EDWIN DICKSON, around the campus.



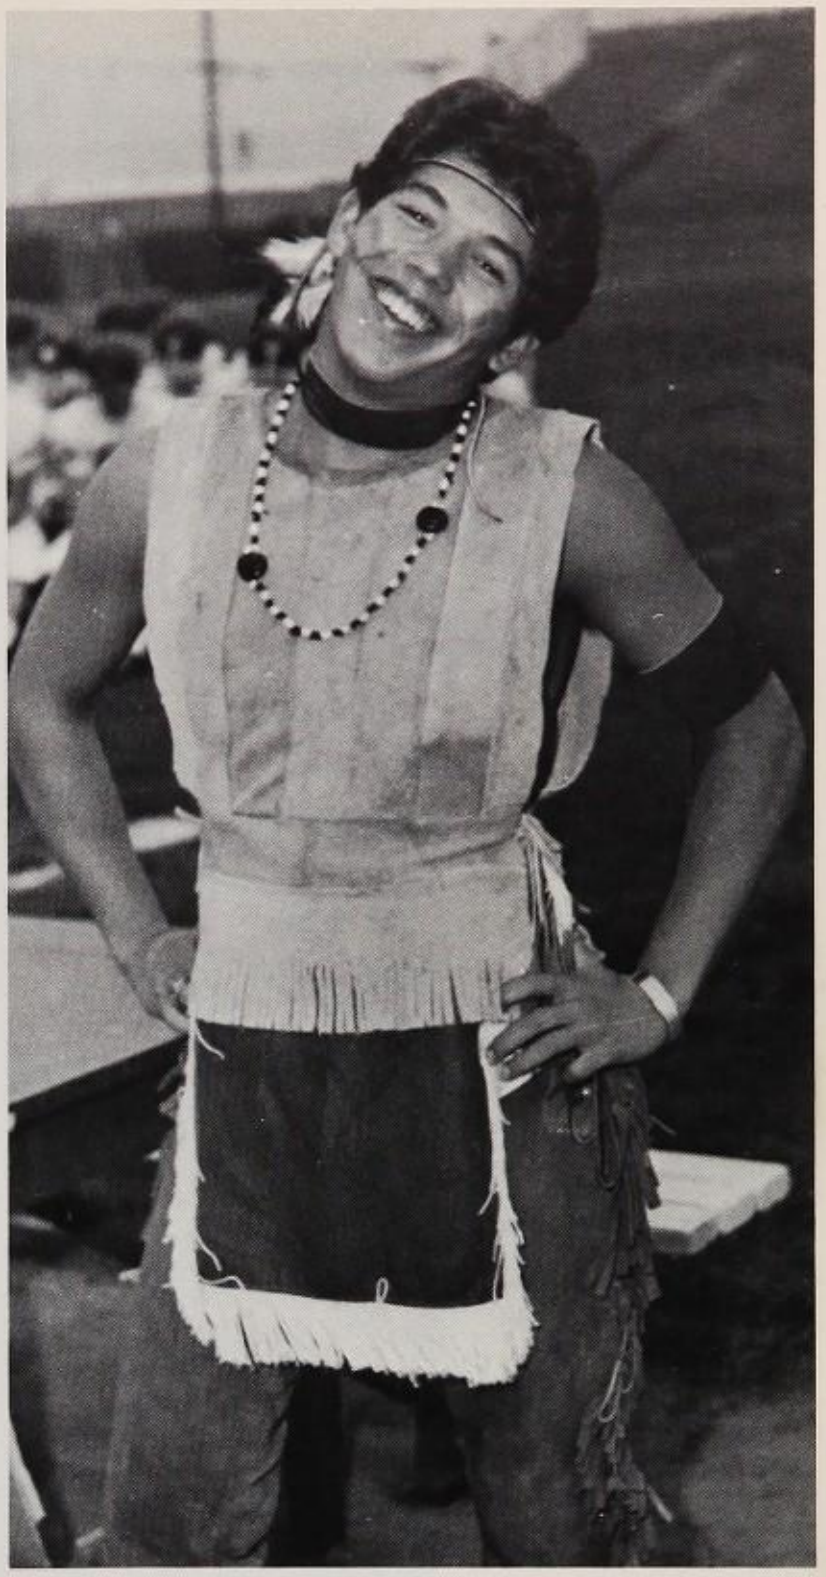
Introducing themselves at this years first rally are our new songleaders: LINDA WHITLOW, DEBBIE BOLAND, ANN OAKLEY, KAREN TYLER, and ELI STEWART.

Flying high in the arms of TOM REICHELDERFER is DEBBIE PROVENZANO, as they lead cheers at the rally.

JBHS students get the fall sports spirit

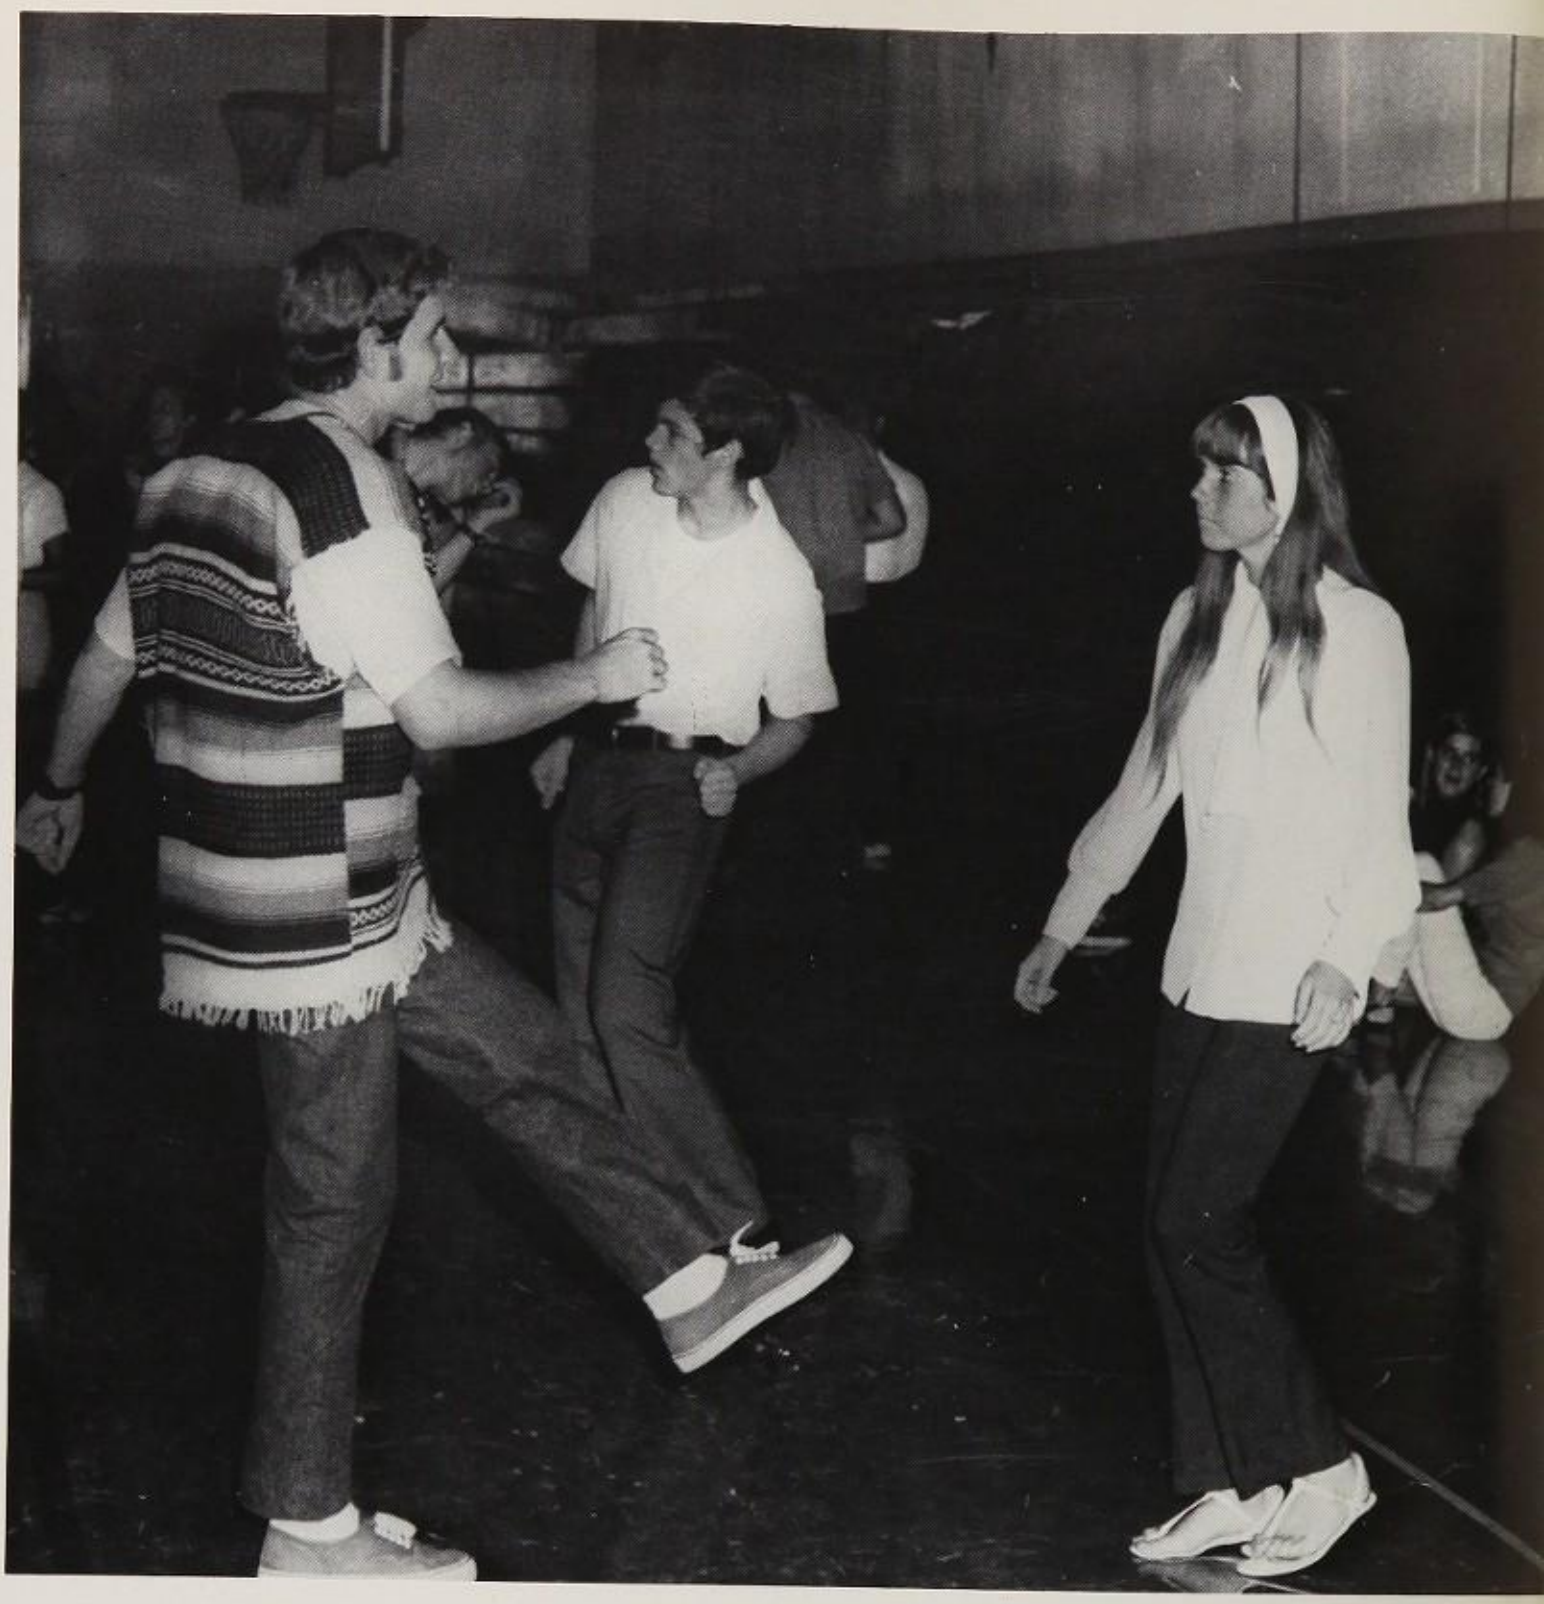
After two 15-yard penalties TOM REICHELDERFER completes a "PASS" with ELI STEWART for a first down during the rallie's hilarious skit.

Teaching a new cheer to our spirited student body are KAREN TYLER, DEBBIE PROVENZANO, ELI STEWART, and NANCY LEVIN.



Grinning savagely with sure expectations of an Indian victory is Mascot, DAN ELIA.

With masterful ease and control, ASB President, DAN MC-FARLAND, begins our first football rally.



"Fancy footwork" was displayed by DAN MCFARLAND and MELINDA HAMNER at the Sophomore Welcome Dance.

Former ASB president, MATT D'-ERRICO, leads his band, "The Stampede", on a mind expanding experience at the Sophomore Welcome Dance.

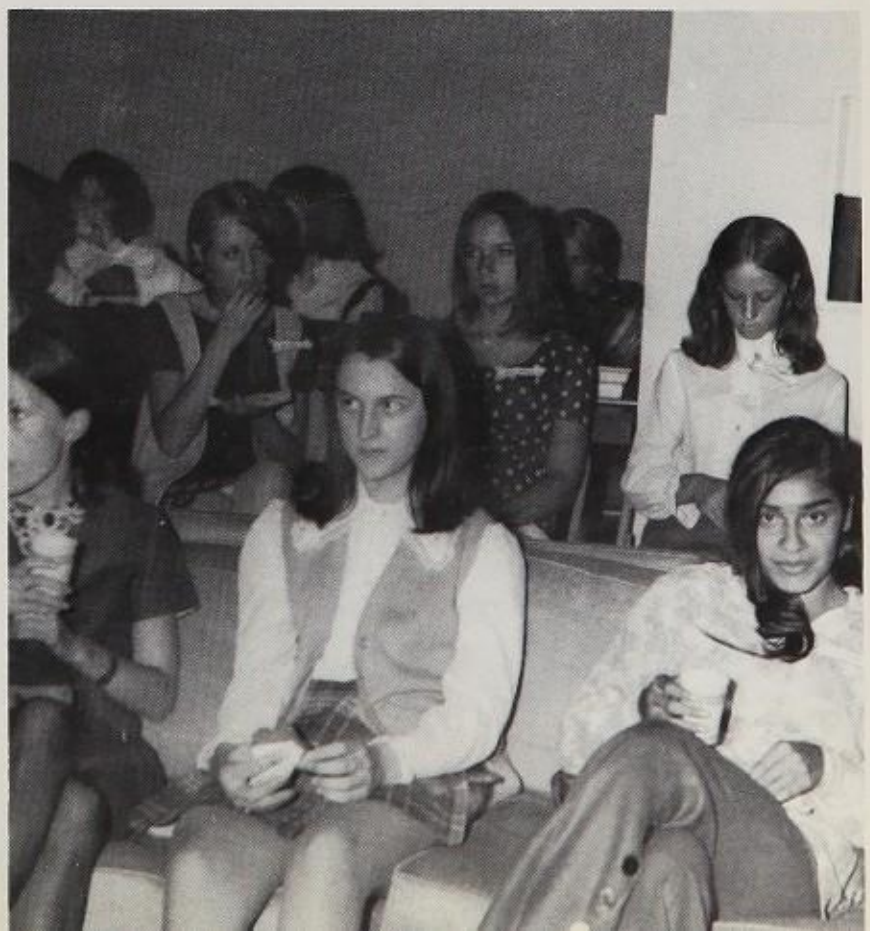
JBHS adopts sophomores at dance

Wondering where he went, LAURIE SHIPP searches for her partner at Sophomore Dance.

Serving refreshments at the new girl's tea are CHRIS MOORE and ALANA BEHAR.

Cheerleaders tell new girls what John Burroughs is all about at this years new girls' tea.

Girls new to our school district get acquainted with J.B.H.S. at the new girl's tea sponsored by Girl's League.



J.B.H.S.

moves

right

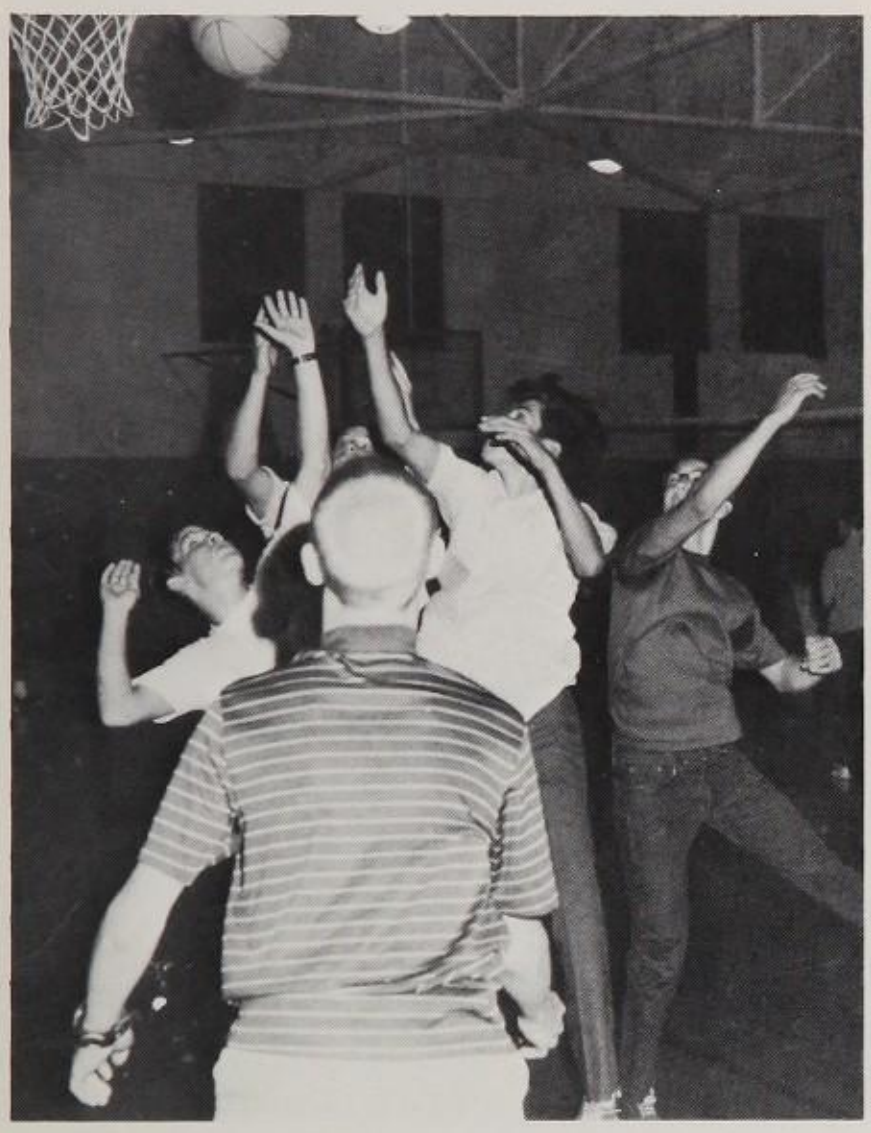
along

Everyone tries to get in the act at the sophomore sports nite.

Hammin' it up during an exciting game of ping pong is KEVIN ANDERSON.

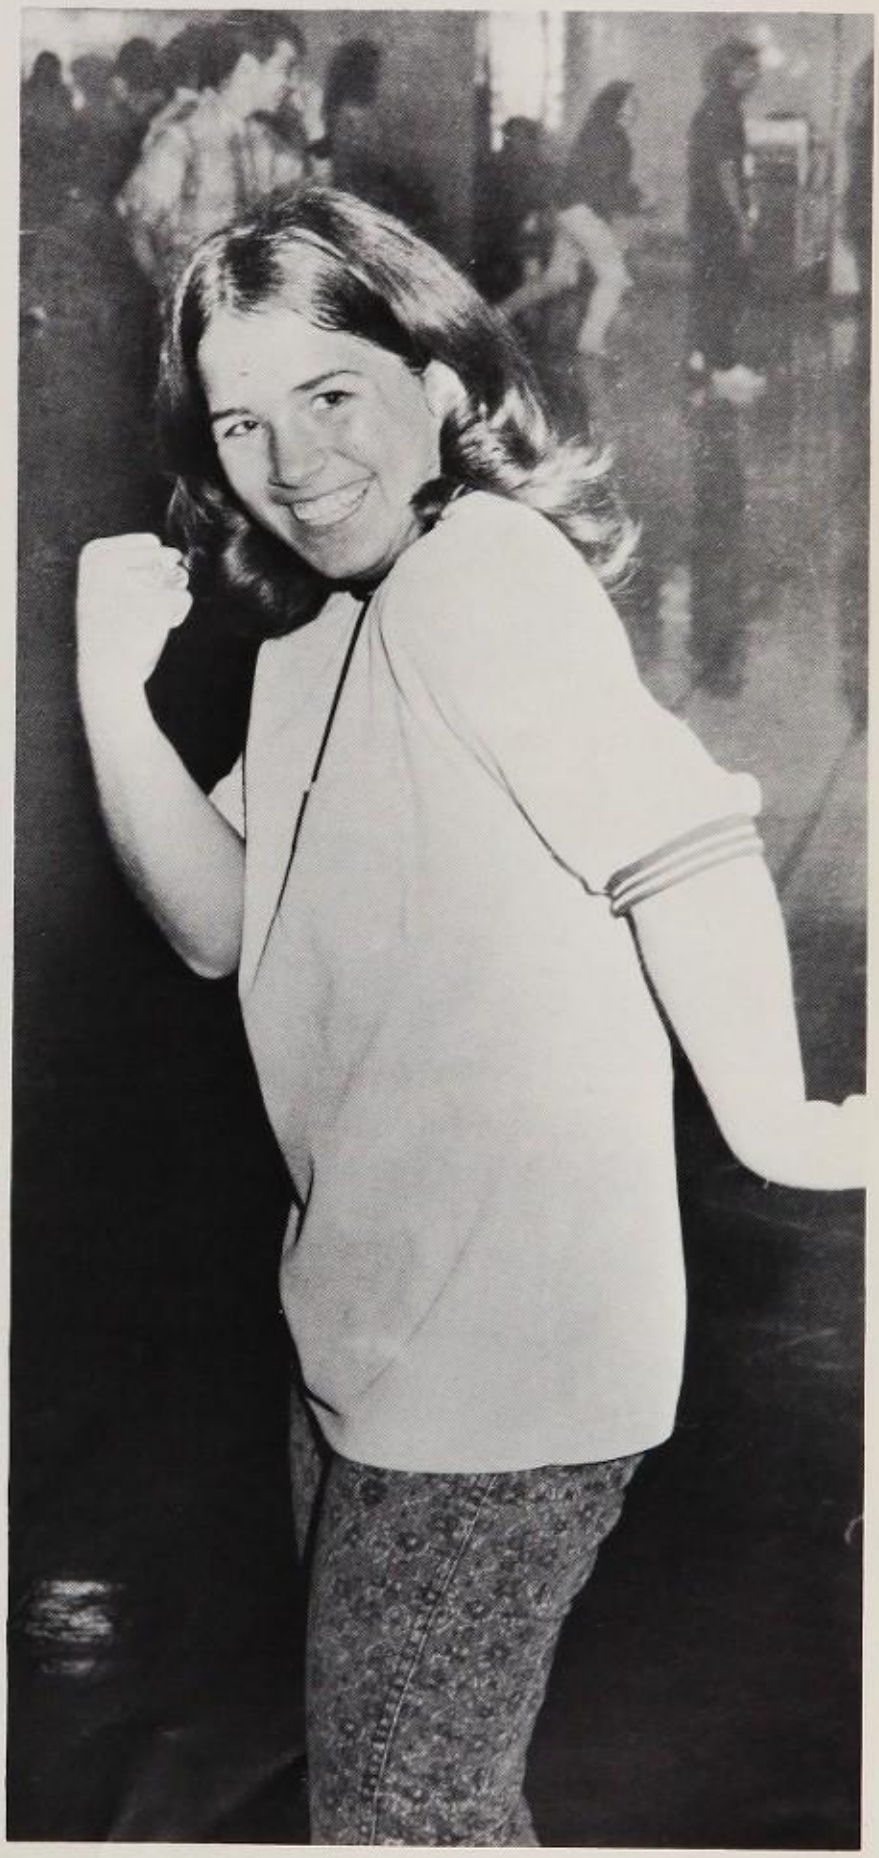
Sophomores sponser sports night

Basketball is a favorite at all sport nights. It never fails to attract many enthusiastic players.



Among other popular sports is volleyball.

Socking it to em' is CATHY COBLE.

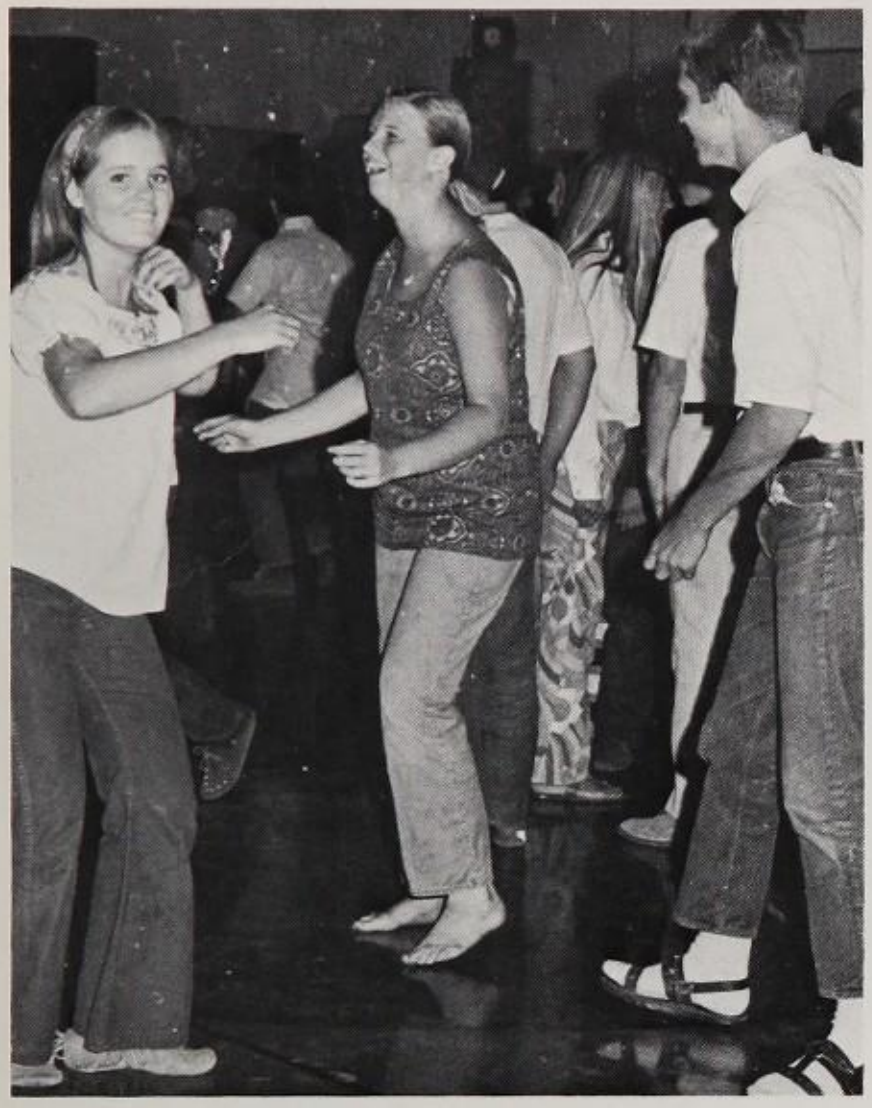


Noon rallies spark spirit

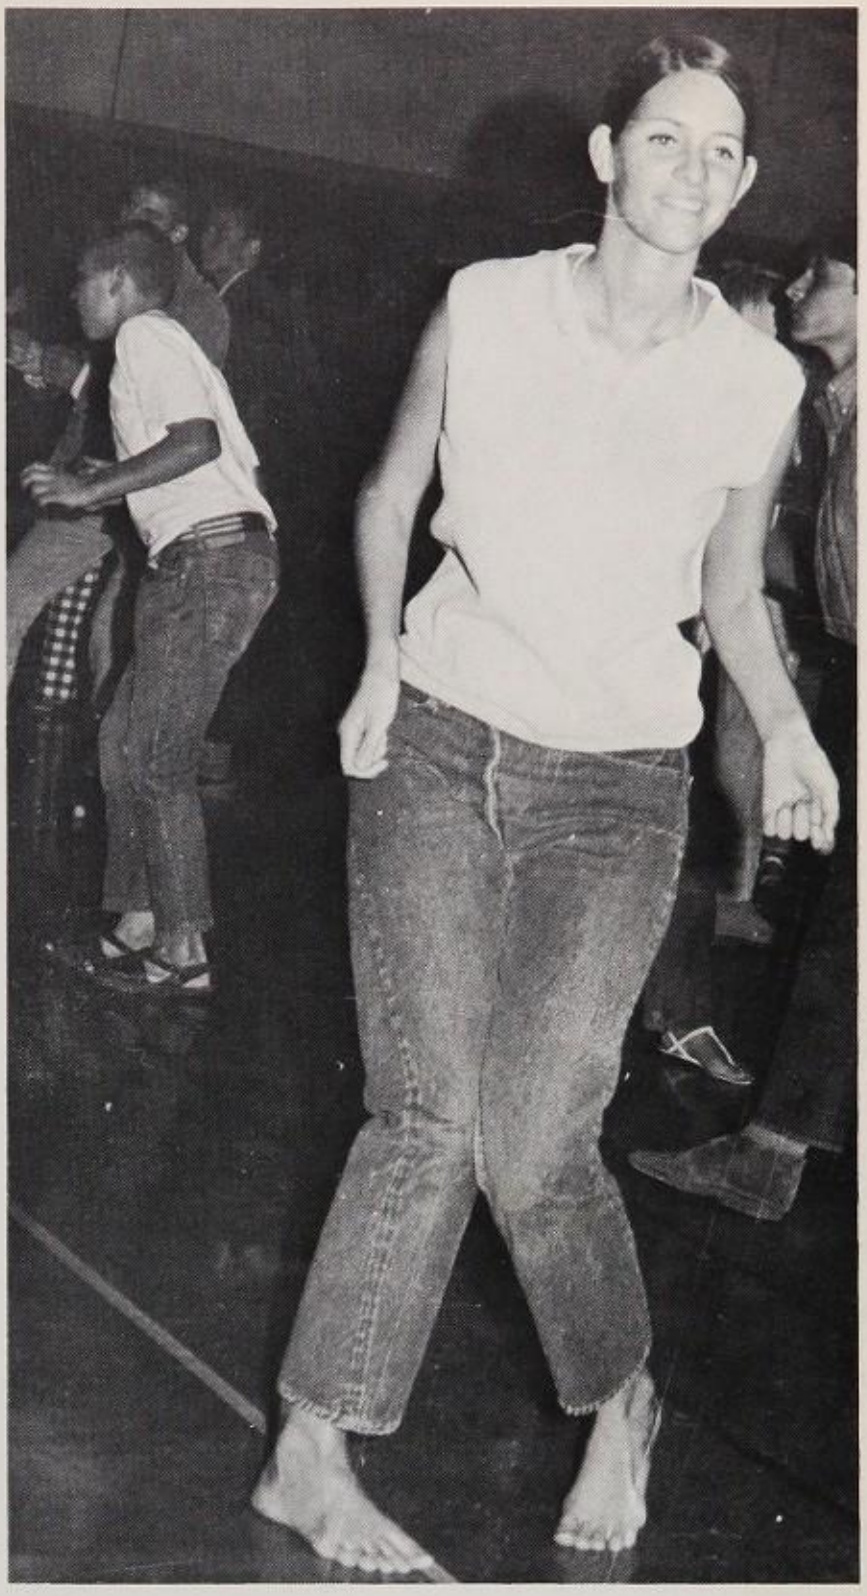
Noon rallies are very successful in promoting school spirit before a big game. Songleaders, yell leaders, majorette and band, all perform to promote the spirit.

Burroughs is proud to have the only color guard in the Foothill League. The guard is led by captain, MARK VALERIO.

MELINDA MILLER gets it on at the senior sports nite. Sports nites help to raise money for different school organizations.



Students rock out to the sound of the "Stampede" at the senior sports nite.



At the end of every game, the songleaders salute our school by leading the alma mater.

Preparing for half-time are the J.B. Minorettes, who work hard all week to present a fine performance.

Queen Crowned

Boosting up spirit at Jordan Jr. High for the Burbank-Burroughs game are songleaders KAREN TYLER, LINDA WHITLOW, DEBBIE BOLAND, ELIZABETH STEWART, and ANN OAKLEY.

Putting the crowning touch on this year's Fall Sports Queen, ANN OAKLEY, is Varsity Captain, MIKE HOLZER. The Queen and her princesses, KAREN TYLER, DEBBIE BOLAND, and DIANE MONT, were crowned at the Burroughs-Burbank Rally.

Most spirited Sophomore and Senior awards for 1969 were given to sophomore, MARK JACKMAN, and senior, MARILYN BAUCH. Not pictured, is most spirited junior TRUDY SHARP.

Giving us a preview of Burbank's secret plays are ZACK MINASIAN and JOHN MENDEL, who starred in our Ralley skit.

"Bust the Bulldogs" balloons were everywhere to be seen at the Beat Burbank Rally. As things turned out, Burbank let the air out of our Indians.

Our beautiful minorettes rounded out the Beat Burbank Rally with their precision routines.

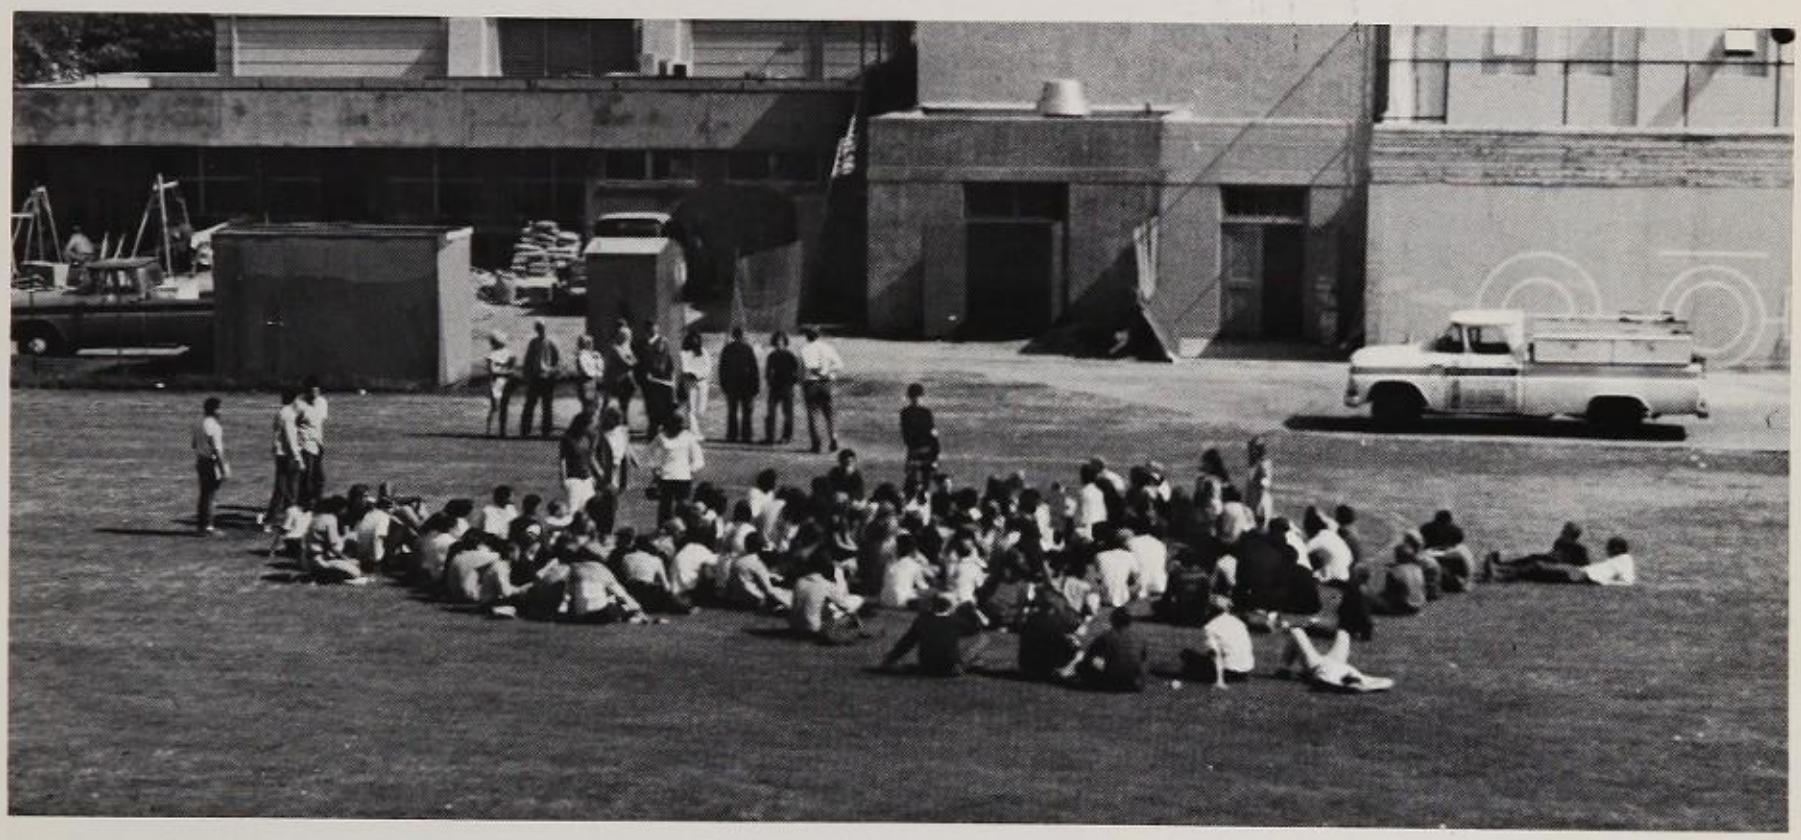
Models for the fashion show were SHARON WEAVER, EILEEN BURTON, and CHRISTY MOORE.

Fashions for the Mother Daughter Banquet were supplied by the young ladies department of Greenes dress shoppe.

Modeling the latest fashions at the Mother Daughter Banquet is SHARON WEAVER.

National and school rallies hit Burroughs

Doing her thing at a noon rally is DARLENE KROLIKOWSKI, JB's majorette.

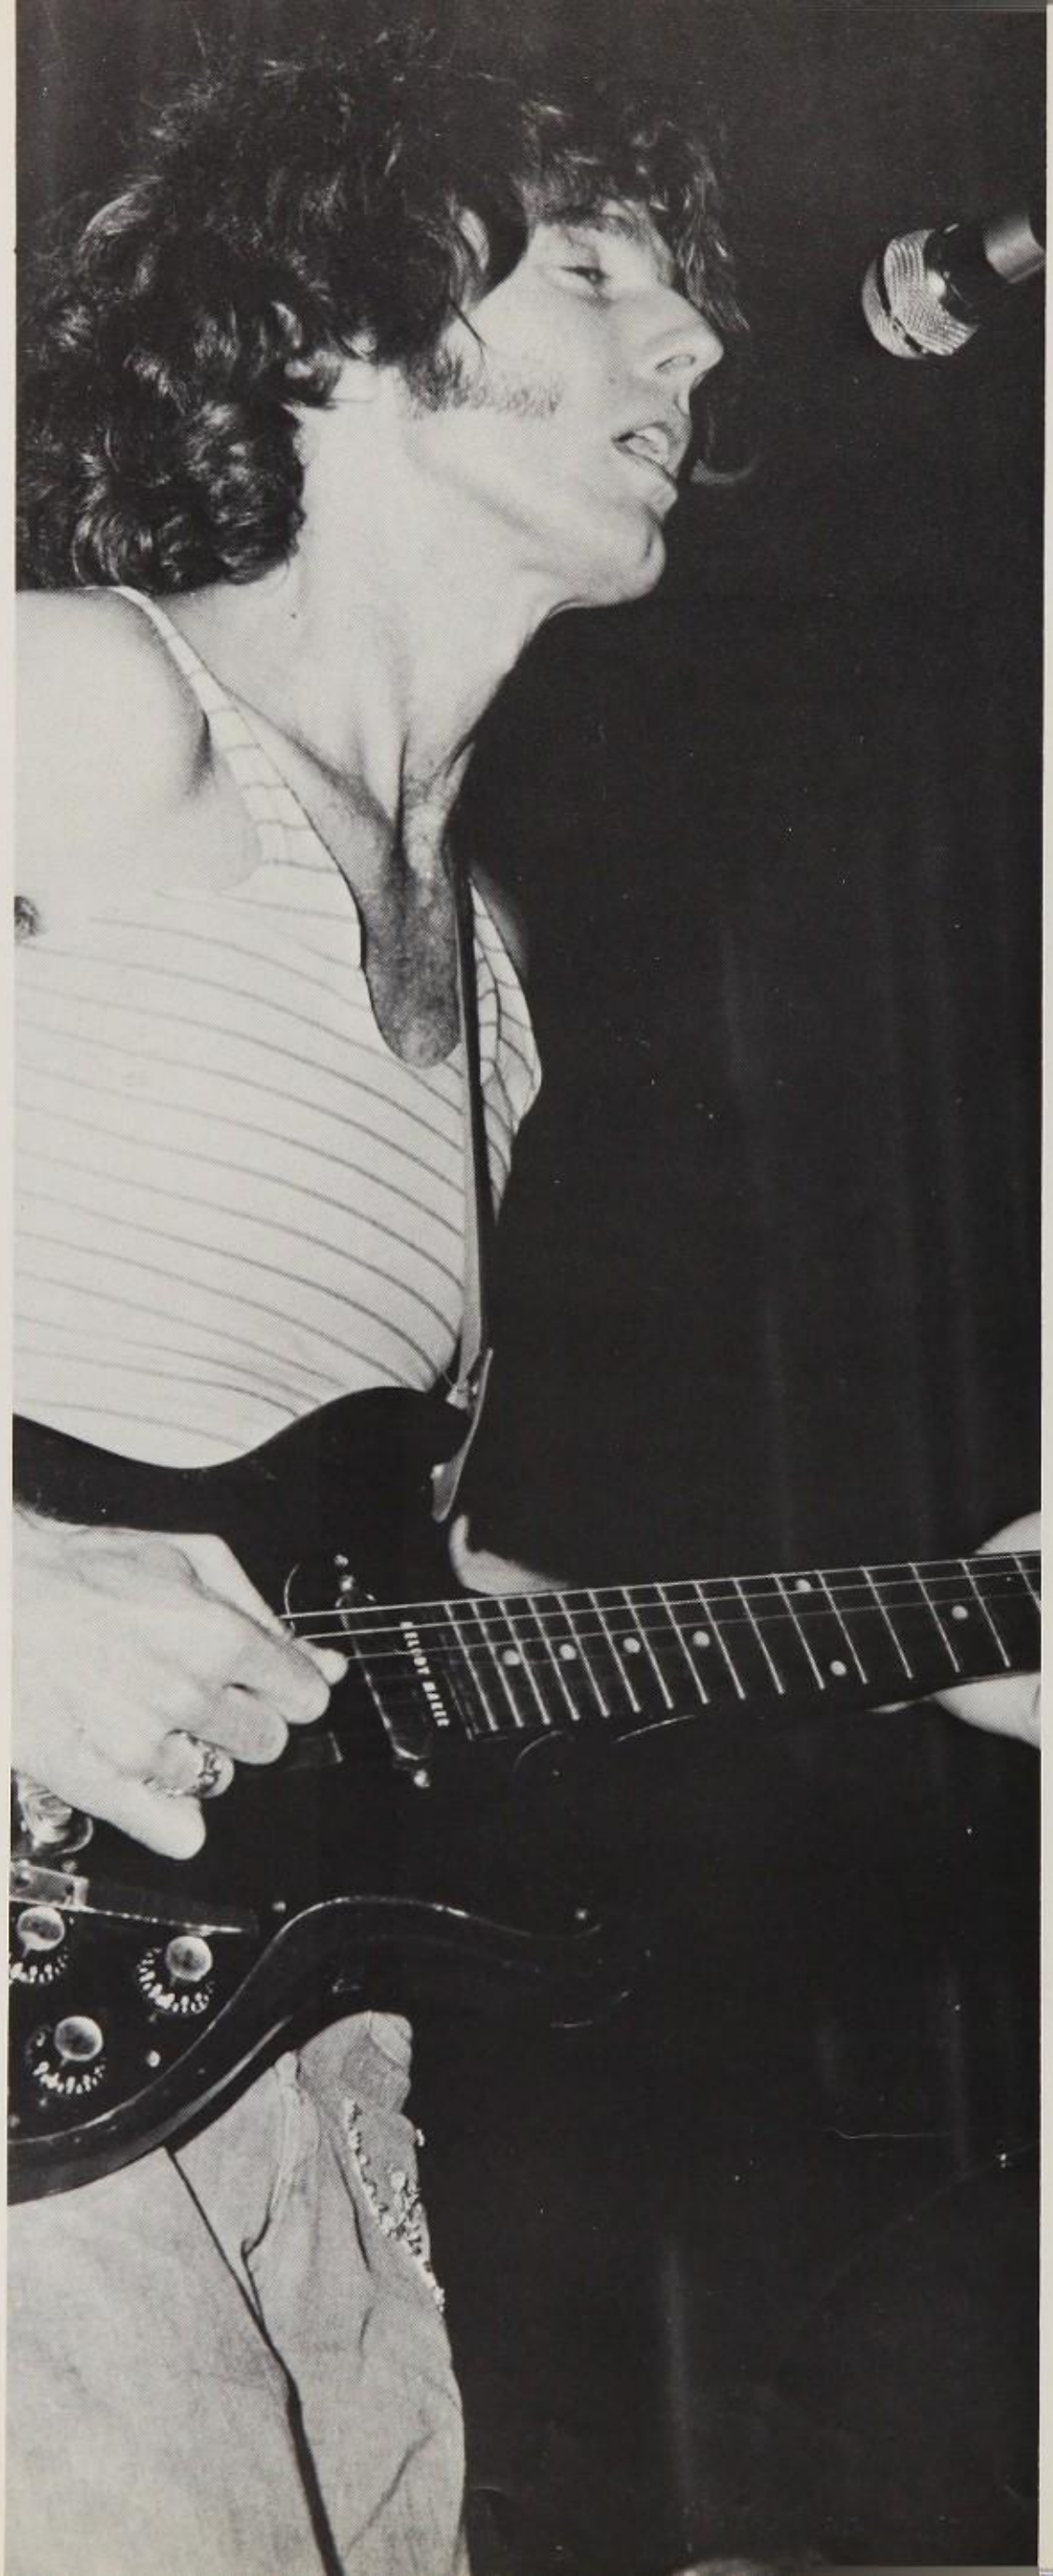


The participation of Burroughs' students in the Viet Nam war moratorium on October 22 proved that students care.

Mother's and daughter's enjoy their roast beef dinner and apple crisp desert before the fashion show.

Glass Family rocks out

Besides playing guitar, RALPH PARRETT really impressed the audience with his ability for playing the harmonica.



Putting everything he's got into his blues singing, RALPH PARRETT, can really belt out a song.

Hidden behind his wall of drums is GARY GREEN.

LEE MICHAELS would be jealous of the way DAVID CAPILOUTO turned on old John Burroughs.

Assembly committee has finally managed to stage some successful assemblies. A rock assembly, featuring "Glass Family", really shattered our panes.

The day of the Burroughs-Burbank game annually starts with the flag raising on the front steps. Drum Major, VICKY CONRAD, and band director, ROBERT ROSE, led the band in "The Star Spangled Banner".

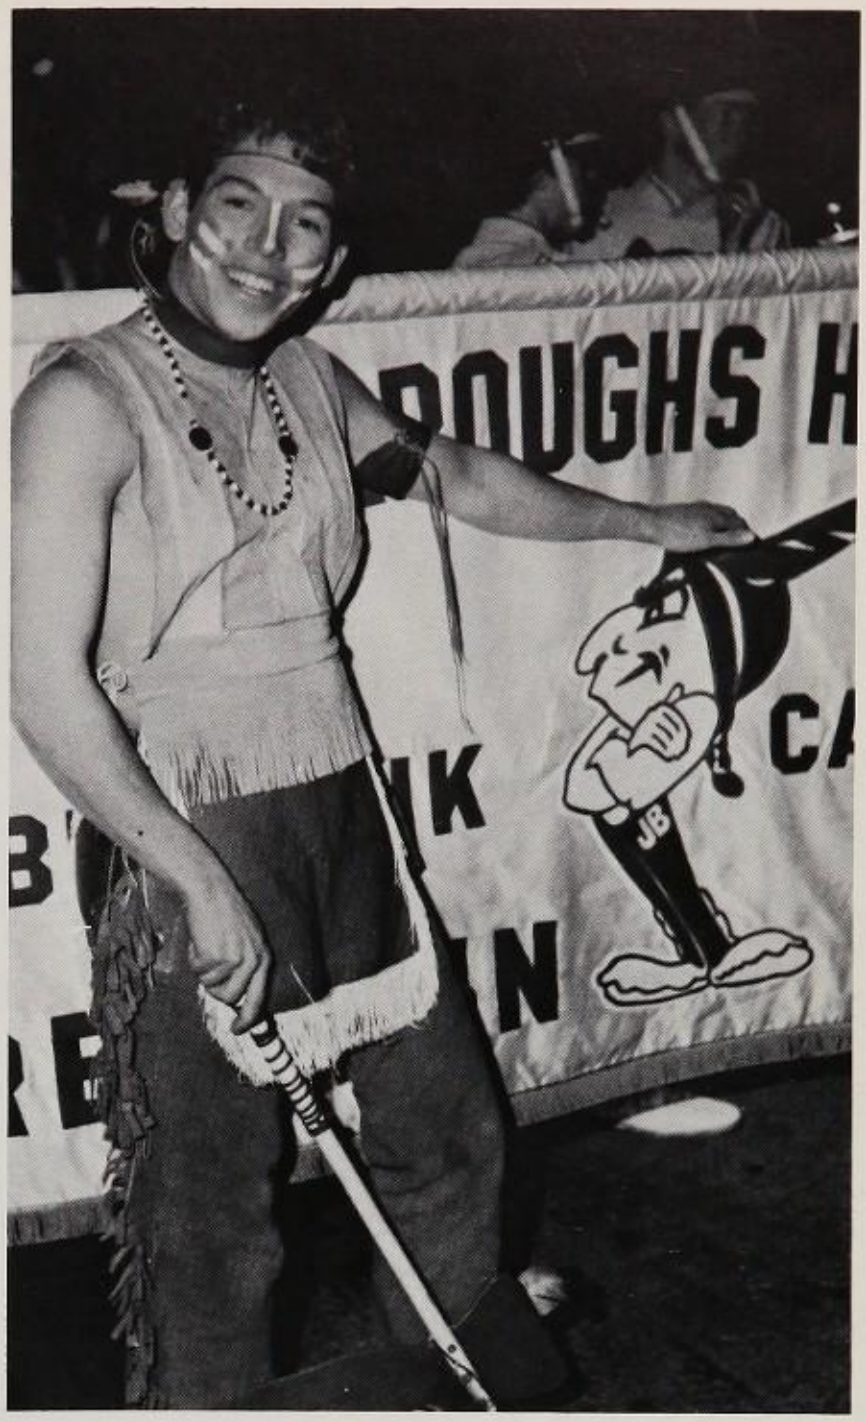
The annual march to Jordan was next on the agenda for the Redskin Band. There they performed with the Songleaders, Yell Leaders, Minorettees, and Majorette in a pep assembly.

Worn out shoes

and tired feet—

the band marches on

Leading the combined Burbank-Burroughs Bands in the Santa Claus Lane Parade, is our illustruous color guard.



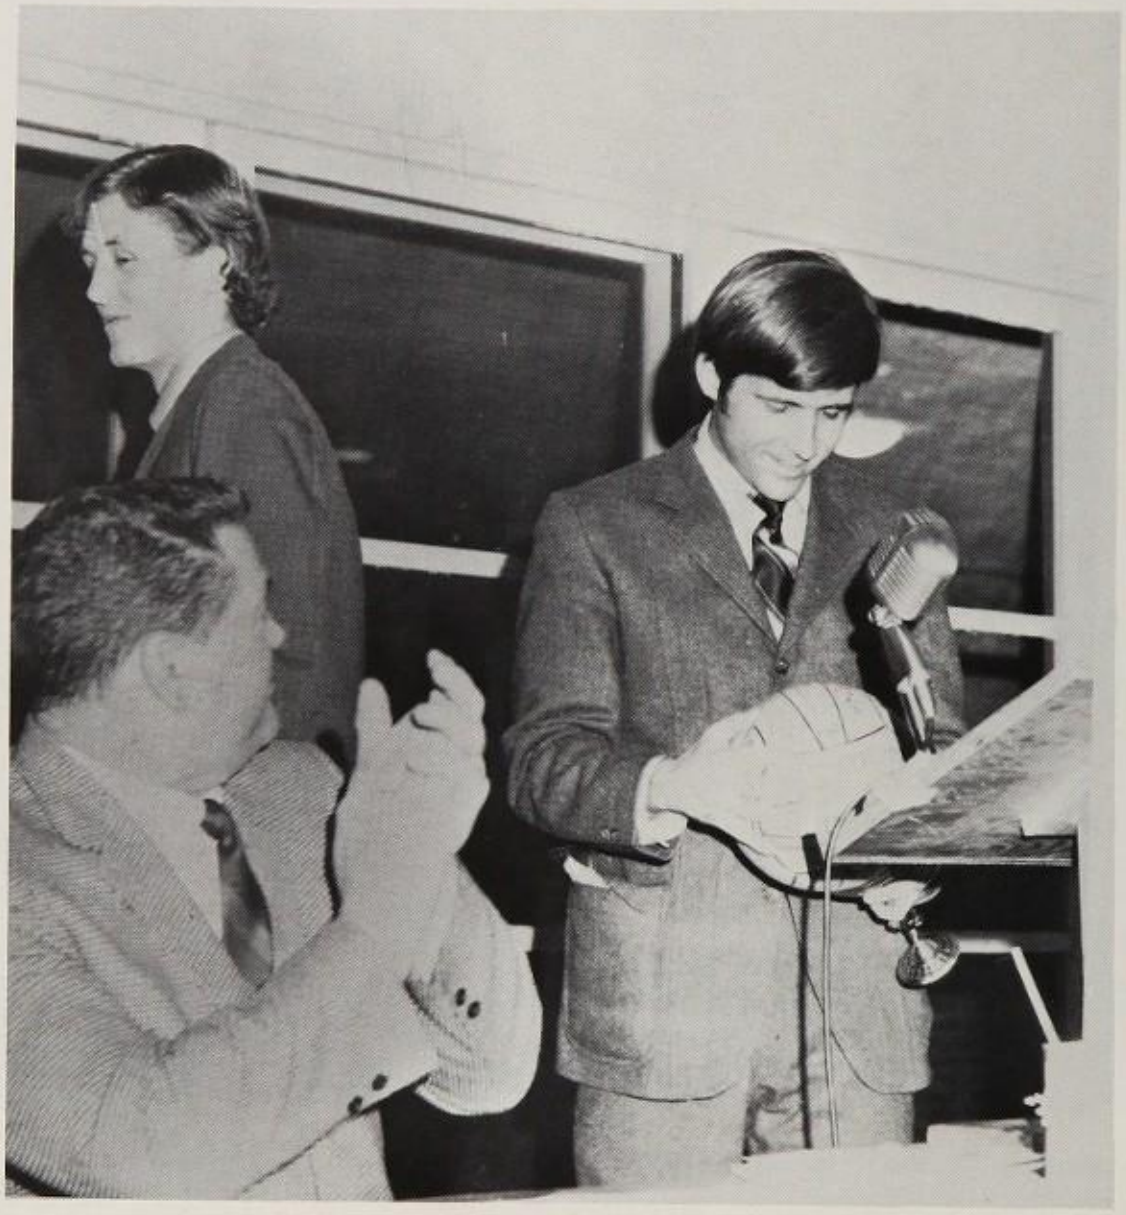
Mascot DAN ELIA, gives a good luck pat to our "Little Guy" before the Hollywood Santa Claus Lane Parade.

The J.B. Minorettees get in some extra parade practice, as they accompany the band to Jordan for the assembly.

Fall athletes honored

Receiving the most valuable player award in cross country from Coach JACK DRAGER, is RON REGALADO.

Water Polo Coach, DAVE WOOD, is presented an officialy autographed water polo ball from his 1969 Cee, Bee, and Varsity teams.



In appreciation to the 1969 Bee coaching staff, RICK REYNOLDS presents a trophy, on behalf of the Bee football team, to head Coach RANDY EDWARDS.

Head Varsity football Coach, BOB DUNIVANT, gives us the "Low Down" on this years memoriable team.

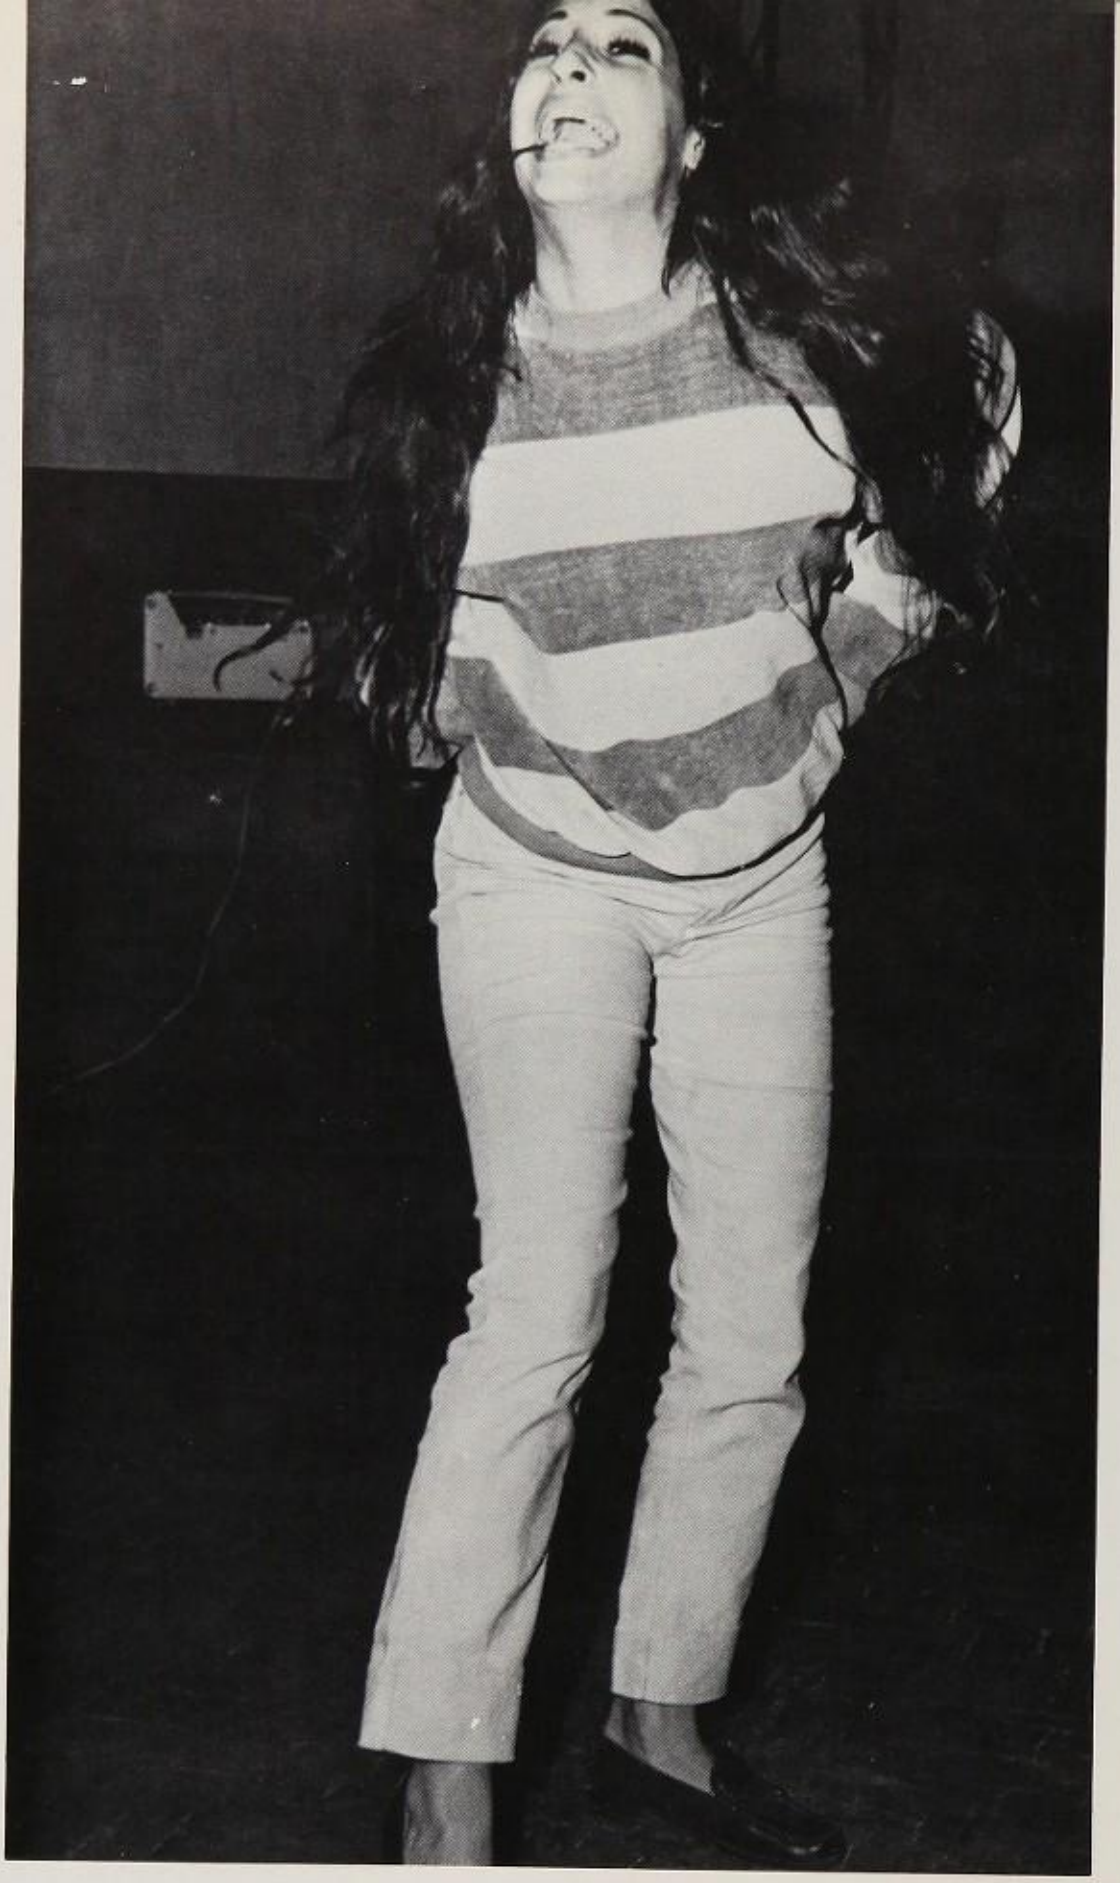
Most valuable in "Bee" Water Polo is first year player, JOE THOMPSON.

Cross country Coach, JACK DRAGER, reviews the season and presents letters to his team at the fall sports banquet.

Top Bee footballers this season are KENT WHITESEL, GARY ASHBURN, JON FUNK, DENNIS PETRAS and DAN OSSELLO.

Hair flys at minorette banquet

Singing Christmas carols (because it was around Christmas time) are LINDA GIBBS, BETTY BUTTERFIELD, JANET WOODS, and BARBIE BETHANY.



The minorette banquet really rocked out with such performers as KAM NELSON, alias RITA GATTEGNO.

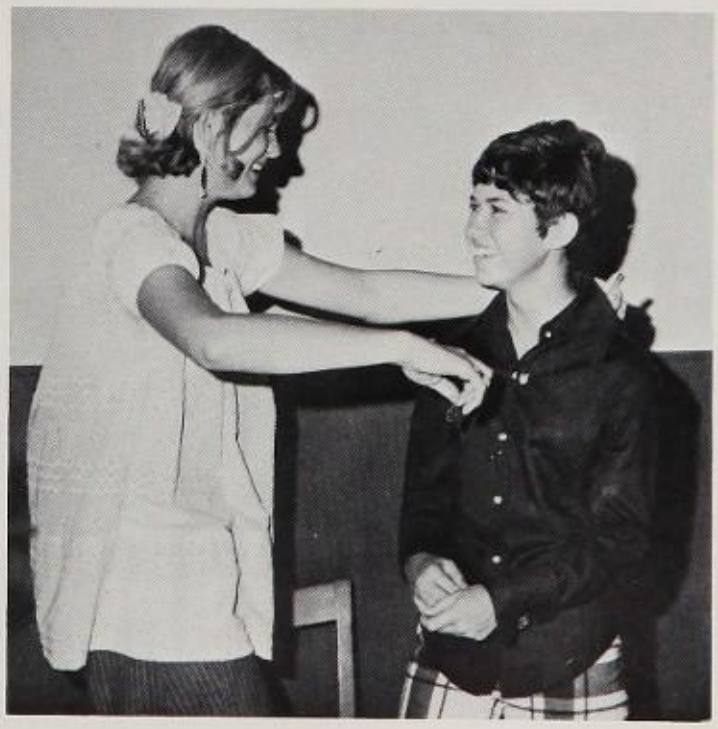
Entertaining the minorettes at their own banquet are minorettes, JANET WOODS, JAN ARNOLD, and TRUDY THROP. They entertained with skits, not with spirits.

Experimenting in contriving new and better drinks, are JOYCE LEATHLEY and JULIE MERKIN. I bet you DONNA NEWMAN, who is hidden behind this foaming yellow zonker, isn't thirsty anymore.

Receiving a gift in behalf of the minorettes, is MRS. MOORE; who shows her appreciation to CATHY VISKOCIL, head minorette.

Getting ready to give CATHY VISKOCIL a big hug is minorette of the year, LINDA GIBBS.

Presenting a candy cane to LINDA GIBBS is JAN ARNOLD, at the Minorette Banquet.



Little boy and girl day saw DOUG HALL and RANDY HAMILTON having a ball, as they came together as a couple of little kids.

"Every mothers dream" has no limit as JOE DEROSE wants to grow up to be Superman (?), and LINDA DEERING and RUTH NORRIS want to be Nuns on "Secret Ambition Day".

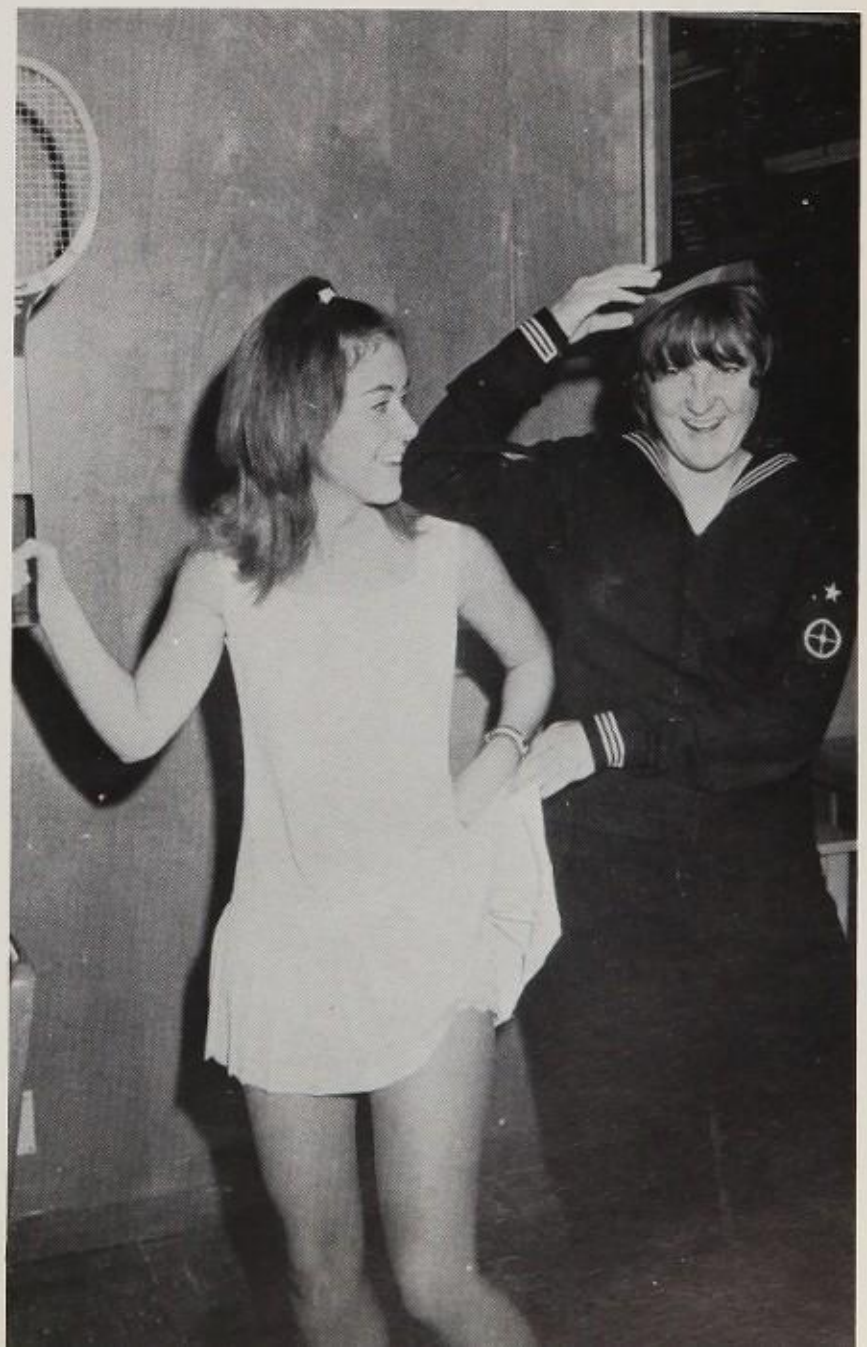
Lazy days or crazy days?

Cutest little boy and little girl awards went to SANDIE BODEN (a boy?), and JERRI NASSIFF (a girl!).

Some ambitions were hard to tell, as seen by this candid shot, taken during lunch time contests.

Being one of Robin Hood's merry men is DAVE CRAWLEY. Swimming sure gives you good legs, Dave!

Flirting with BETTY BUTTERFEILD on "Secret Ambition Day" is MELISSA MALAK. Let her have it Betty!



All aboard the H.M.S. Pinafore

Love conquers all, as Ralph, portrayed by DAN ELIA, finally wins Josephine, or rather LEE RICHARDSON'S heart, on board the H.M.S. PINAFORE.

Rehearsing a dancing number are Senior Choir members RUSS WATTS, TERRY WIESER, GARY OMAN, and BARBIE BETHANY.

In one of the more touching scenes, RALPH, played by DAN ELIA, falls to his knees and proposed to Josephine, played by LEE RICHARDSON.

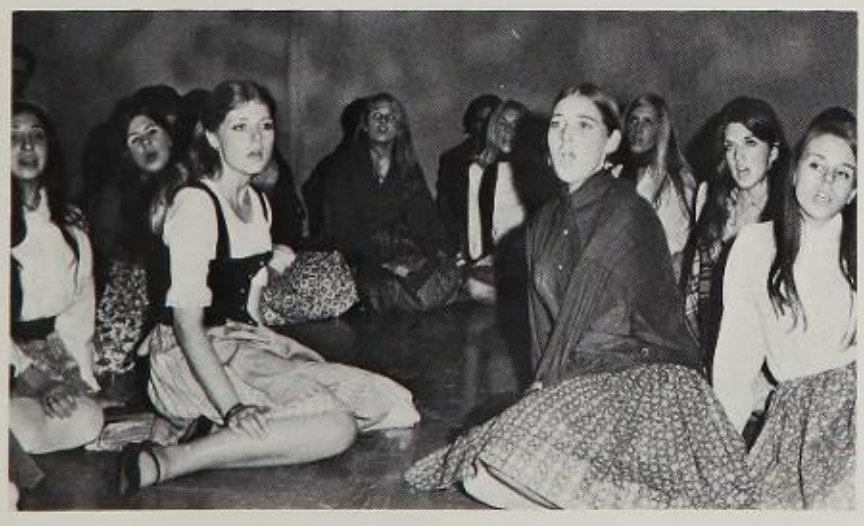
Providing background music for the production of H.M.S. PINAFORE, is the Senior Choir. Certain members of the choir also acted, besides singing. This shows what a talented choir J.B.H.S. possesses.



The Senior Choir's better half, (that means the girls), also performed in our full production of the mini-version of the H.M.S. PINAFORE.

The plot thic ns as Sir Joseph, played by KENT TAYENAKA ries to steal Josephine away from Ralph. But usual, the villain always loses.

In one of her solos, Buttercup, protrayed by DEBBIE JACKMAN, laments on her unrequited love by singing "I'm a Little Buttercup."

Showing off

Home Economics Department annually presents its Christmas show every year. On display during this show are projects that the girls themselves made especially for this show. Entertaining the guests were JACKIE GODDARD, KIM LAND, and CHRIS LARUE.

On display at the Christmas show are projects that the girls in Home Economics classes made. Some projects were made completely out of food, and others were crafts projects.

talents

At the gala opening of the new girls' gym, the entire student body and faculty were invited. They were served refreshments and allowed to tour the entire gym area.

Just a minute MR. CARPENTER — you can't tour that part of the gym.

Providing unequalled entertainment to thronging mobs at the Girls' Gym Open House, is the world reknown John Burroughs Dance Band.

Representing those musically talented people of J.B.H.S. are CARRIE SINGLETON (flute), SCOTT WILKINSON (french horn), and DOMINIC RONDINELLA (bass).

Displaying her talents on the piano is GEORGIANA CLARK. She performed a solo at the I.M.A. Concert.

President of I.M.A. is SCOTT NEBERGALL. He was Master of Cermonies at the I.M.A. Concert.

Brass and electric combine with trio of DOMIMIC RONDINELLA, (guitar) LEW STUDE and SCOTT WILKINSON (trumpet).

IMA concert features musically talented

Finishing off group with a "beat" is CHUCK WELSH on drums with SCOTT WILKINSON and DOMIMIC RONDINELLA.

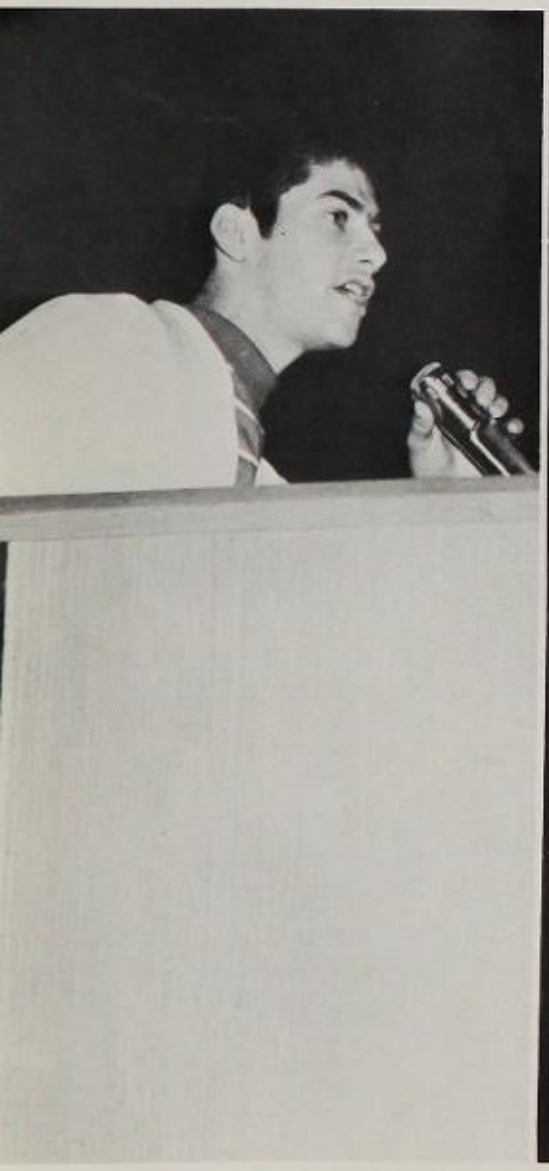
Voting: where the action is!

Active-minded John Burroughs students wait in line to vote for their new student leaders. They know that voting is the only way to get things done.

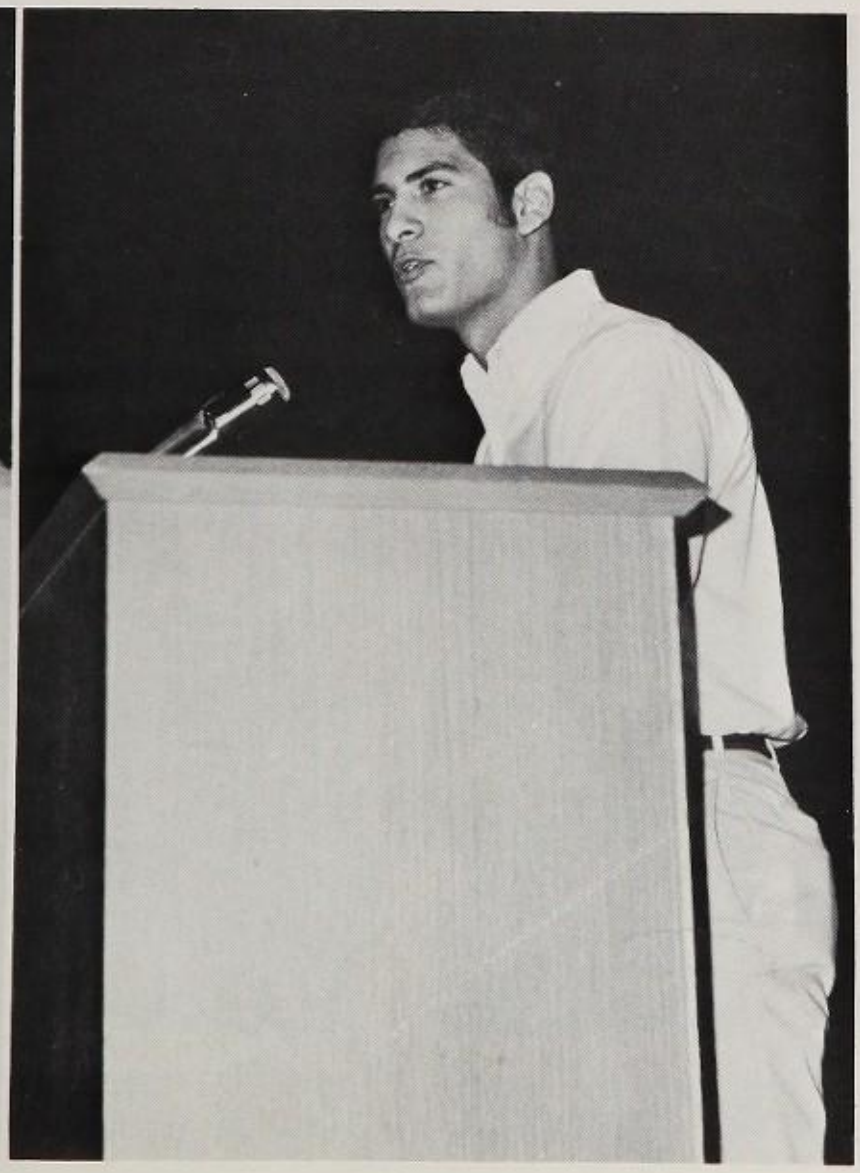
Performing at the Burroughs-Burbank Basketball Rally are our songleaders. With the new cheer "Sweet Georgia Brown", they hope to promote spirit among our laconic students.

To relieve the tension from finals, Letterman's club sponsored a sports night. One of the more rousing sports was ping-pong, enjoyed by one and all.

In answer to a letter that was in the Burbank Daily Review stating that the John Burroughs student body was spiritless and apathetic, CARMEN GOGLIA, head yell leader, got up out of his sick bed to arouse spirit at the rally.



In his first speech as the new A.S.B. president, DAVE VASQUEZ takes over the reins of government from outgoing president, DAN MC FARLAND.



This year our Winter Sports Queen was elected by the Basketball and Swimming Teams. Crowning our Queen, JERRI NASSIFF, are Basketball Captains, KEVIN ANDERSON and DAVE NELSON. Off Side, "Watching", is CARMEN GOGLIA. Also crowned were 1st Princess, BARBIE BETHANY; 2nd Princess, LINDA WHITLOW; and 3rd Princess, DEBBIE BOLAND.

Because Burrough's girls unleashed their most secret desires and asked their "heart throb" to the Backwards Dance, you see them enjoying themselves to the utmost.

Potpourri of J.B. action

Henry Ford would have been proud of the way LYNN LILLEY, FRANCES OZUROVICH, MRS. BETTY CURTAIN, RAEDENE RINER and MRS. BRONEER put out cookies on their assembly line.

Guest of honor, DEBBIE REYNOLDS, reminisces about her old Burrough's Days. Accompanying her on stage is our own band leader, MR. ROSE.

Look DAN, There's a crown on your head!! Imperial margarine scores again as king, DAN ELIA, and his princely court of MIKE LEASHER and JIM BRANDER were crowned at the Backwards Dance.

"Gypsy" steals our hearts away

Doing their number are the Hollywood Blondes. Although they aren't blonde now, in the production they wore wigs. The "blondes" are BARBARA BETHANY, TERRY GRABAR, DEBBIE BOLAND, RITA GATTEGNO, EILEEN CORNELL, and DARCY CARTER.

Mass confusion reigns during a rehearsal. After all, you can't have all work and no play now, can you?

Making double sure that LEE RICHARDSON'S dress fits exactly, is MRS. BAILEY. When it comes to outfitting our cast in regal robes for "Gypsy", the cast all turns to her.

Putting all she has into rehearsals as well as the actual performance, is KERRY GRAVES. KERRY played the part of Gypsy's overly-pushy mother.

Displaying the poster of "Gypsy" to MR. MARTIN is DAN ELIA. MR. MARTIN is in charge of the entire operetta production.

life at J.B.H.S.

Only the finest musicians of BURROUGHS HIGH are in the Dance Band. To the school's delight, they perform at our Backward's Dances and sometimes, if we're lucky, at our assemblies.

When you think of the JOHN BURROUGHS Orchestra you think of the best. Hours of rehearsals and private practice produce this mellifluous sound.

The ringing and singing of songs

Burroughs finest silverthroats are all assembled in one mass group known as A CAPELLA. From their silverlined throats come the finest sounds to be heard in our hallowed halls.

GIRL'S CHOIR, as you might have guessed, is for Burroughs girls only — hence the name. This Choir is for Sophomore girls and for girls not in A CAPELLA.

Pepsters promote spirit

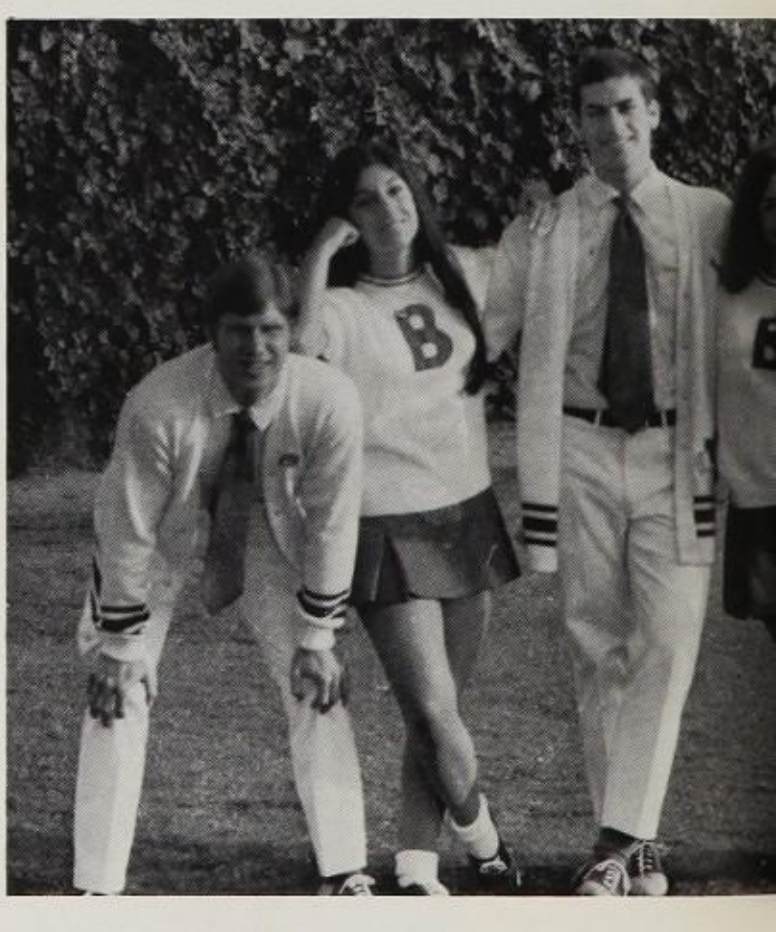
Specializing in leading yells this year is NANCY LEVIN. She is one of two girl yell leaders this year.

Head yell leader this year is CARMEN GOGLIA. The yell leaders themselves chose him as their leader.

Putting punch into yells this year is DEBBIE PROVENZANO, the other one of our girl yell leaders.

With the voice that can be heard throughout the school is TOM REICHELDERFER, another of our "Guy" yell leaders.

Doing an outstanding job this year as yell leader is BRAD SANDIFER. Being a junior, he will hopefully be with us next year.



Here we see our typically fine yell leaders in a typically normal pose.

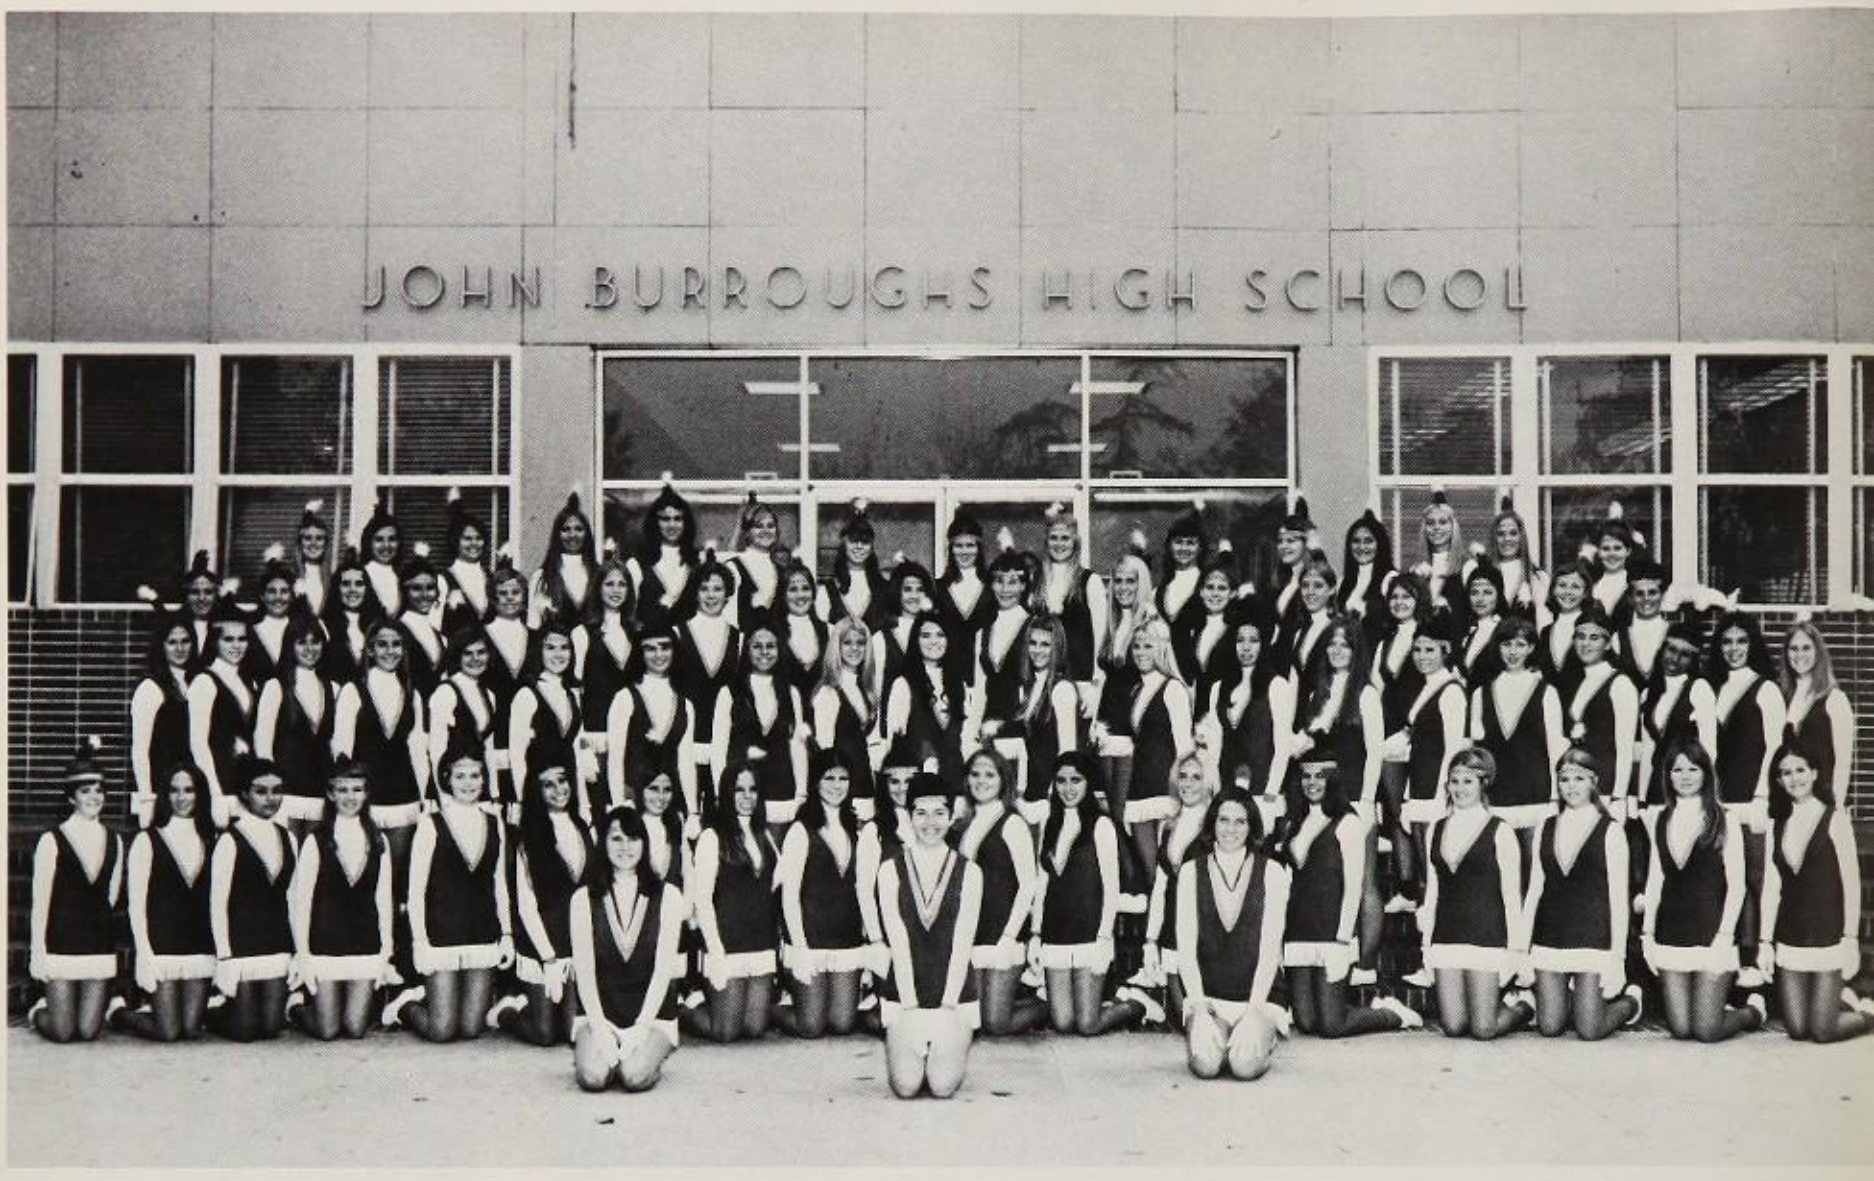
As the old saying goes, "Good things come in little packages." One of our good things is songleader KAREN TYLER.

Just as spring brings out the flowers, ELIZABETH STEWART brings out school spirit.

Sharp-shooting an' sharp-looking ANN OAKLEY really fires up the spirit as one of our songleaders.

A smile on a pretty face like DEBBIE BOLAND'S is worth a thousand cheers.

Sugar an' Spice and everything nice is LINDA WHITLOW, another one of our songleaders.



Under the leadership of captain KATHY VISKOCIL, the minorettes perform during half-time at the football games and in various parades throughout the year.

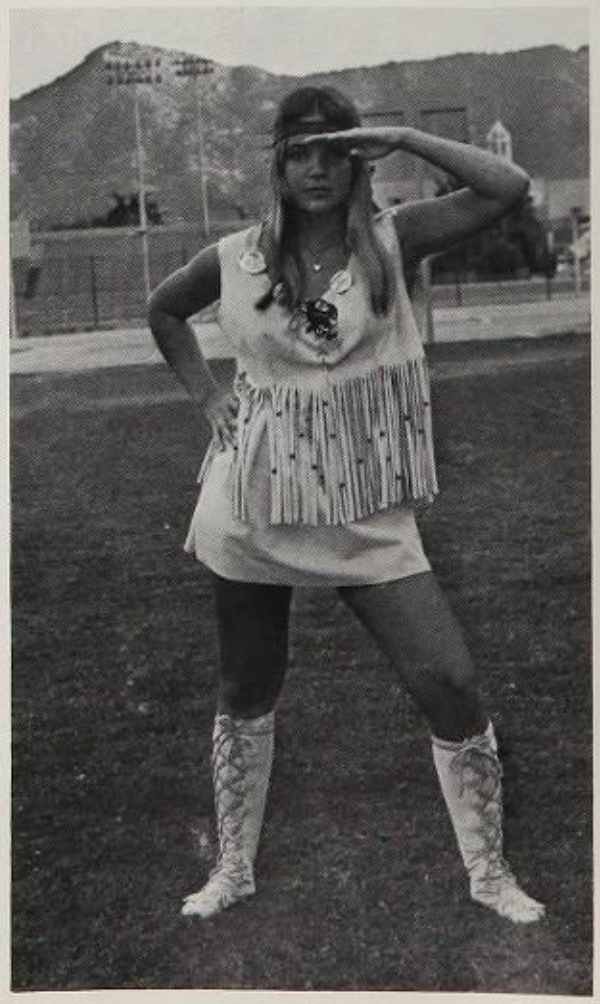
Waging war against our enemies is Indian Mascot, DAN ELIA.

Distracting our enemies this year is Squaw Mascot, KRISTY THOMPSON.



Minorettes, majorette, mascots, really make Burroughs move.

In their second year of existence, our flag twirlers have really come on strong. This year's team consists of SHERI MARSAILLES, SANDY KING, DEBBIE GINNETTI, TERRY GRABAR, MARILYN MC CALL, SHIRLEY SCHREY, KARIN POLIVNICK and CHRISTIE ERICKSON.

One of the best majorettes to hit Burroughs is DARLENE KROLIKOWSKI. She has won more awards than Carter has pills, and really adds a spark to our spirit.

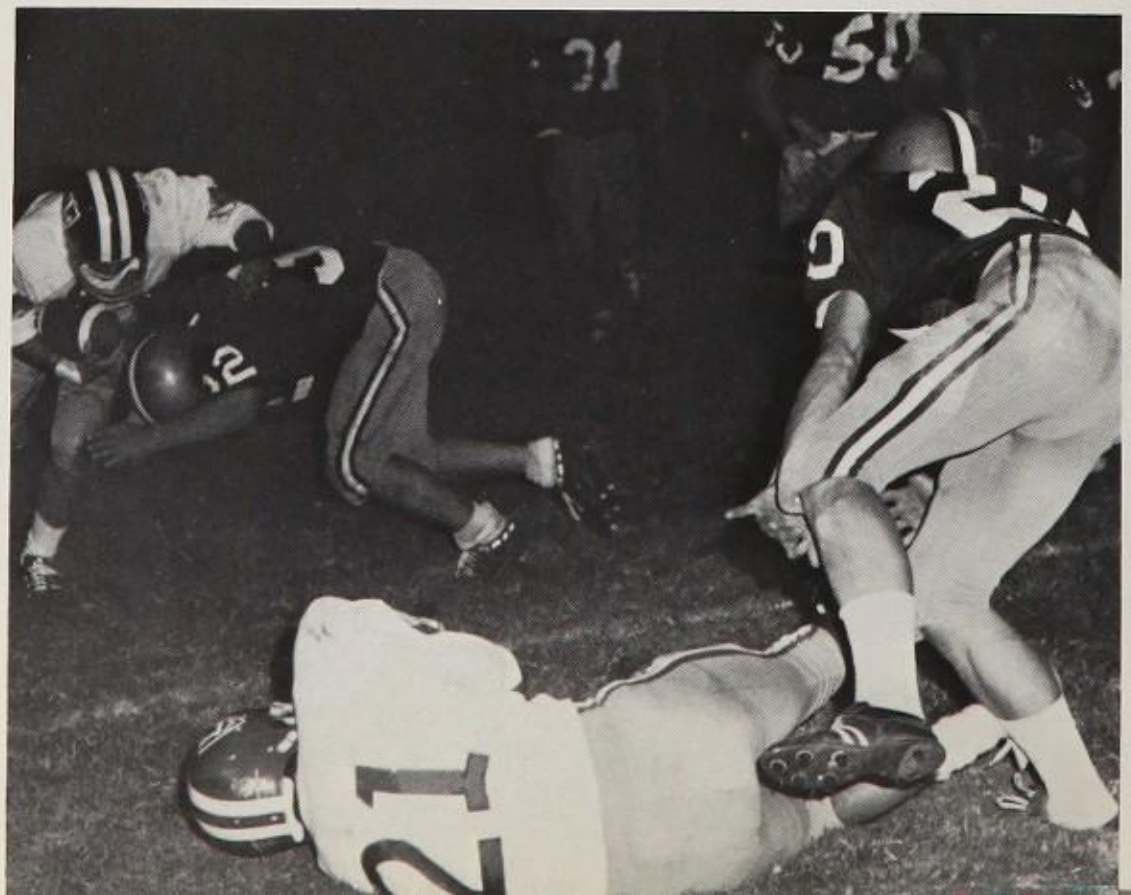
Work

Unidentified Burroughs man brings down Loara ball-carrier.

Loara ball-carrier tries to go up the middle as GLEN BEAUBIAN (23) moves in to make the tackle.

Foursome hits the turf as unidentified Burrough's man hauls down MIKE GARRETT (20) of Manual Arts while BILL BARRETT (21) and Manual Arts man go down on the play.

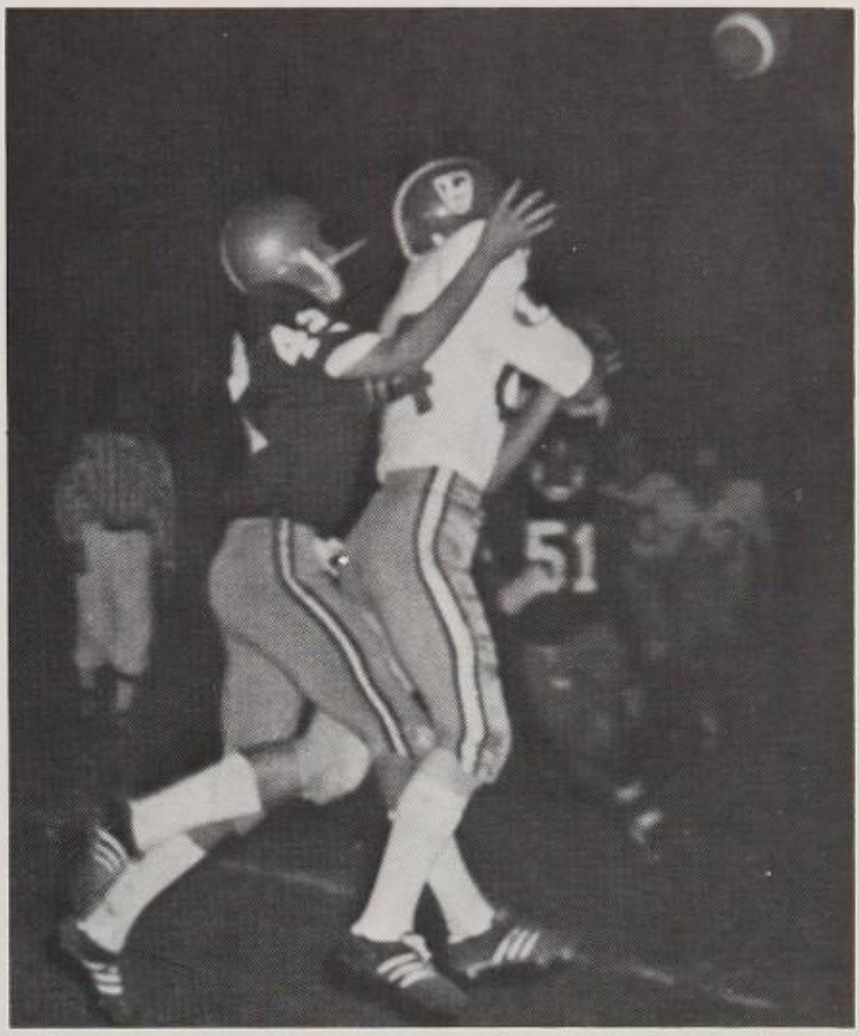


BRAD FISHER (34) hits Loara man low as CLAY WILSON (20) avoids JOE DOMINGUEZ (21) of Loara to join onrushing host of Burroughs men, MARIO LUJAN (73), DAN BARNHART (50) and MIKE HORMUTH (31).

Gridironers have tough openers

"Hit'em in the Numbers" is how it's done as RANDY HAMILTON (41) puts a beautiful form tackle on GREGORY MOSES (80) of Manual Arts.

PAUL CHADBEND (88) of Loara gets an "assist" as he helps Mc ELHINEY (81) bring down confused Loara ball carrier.



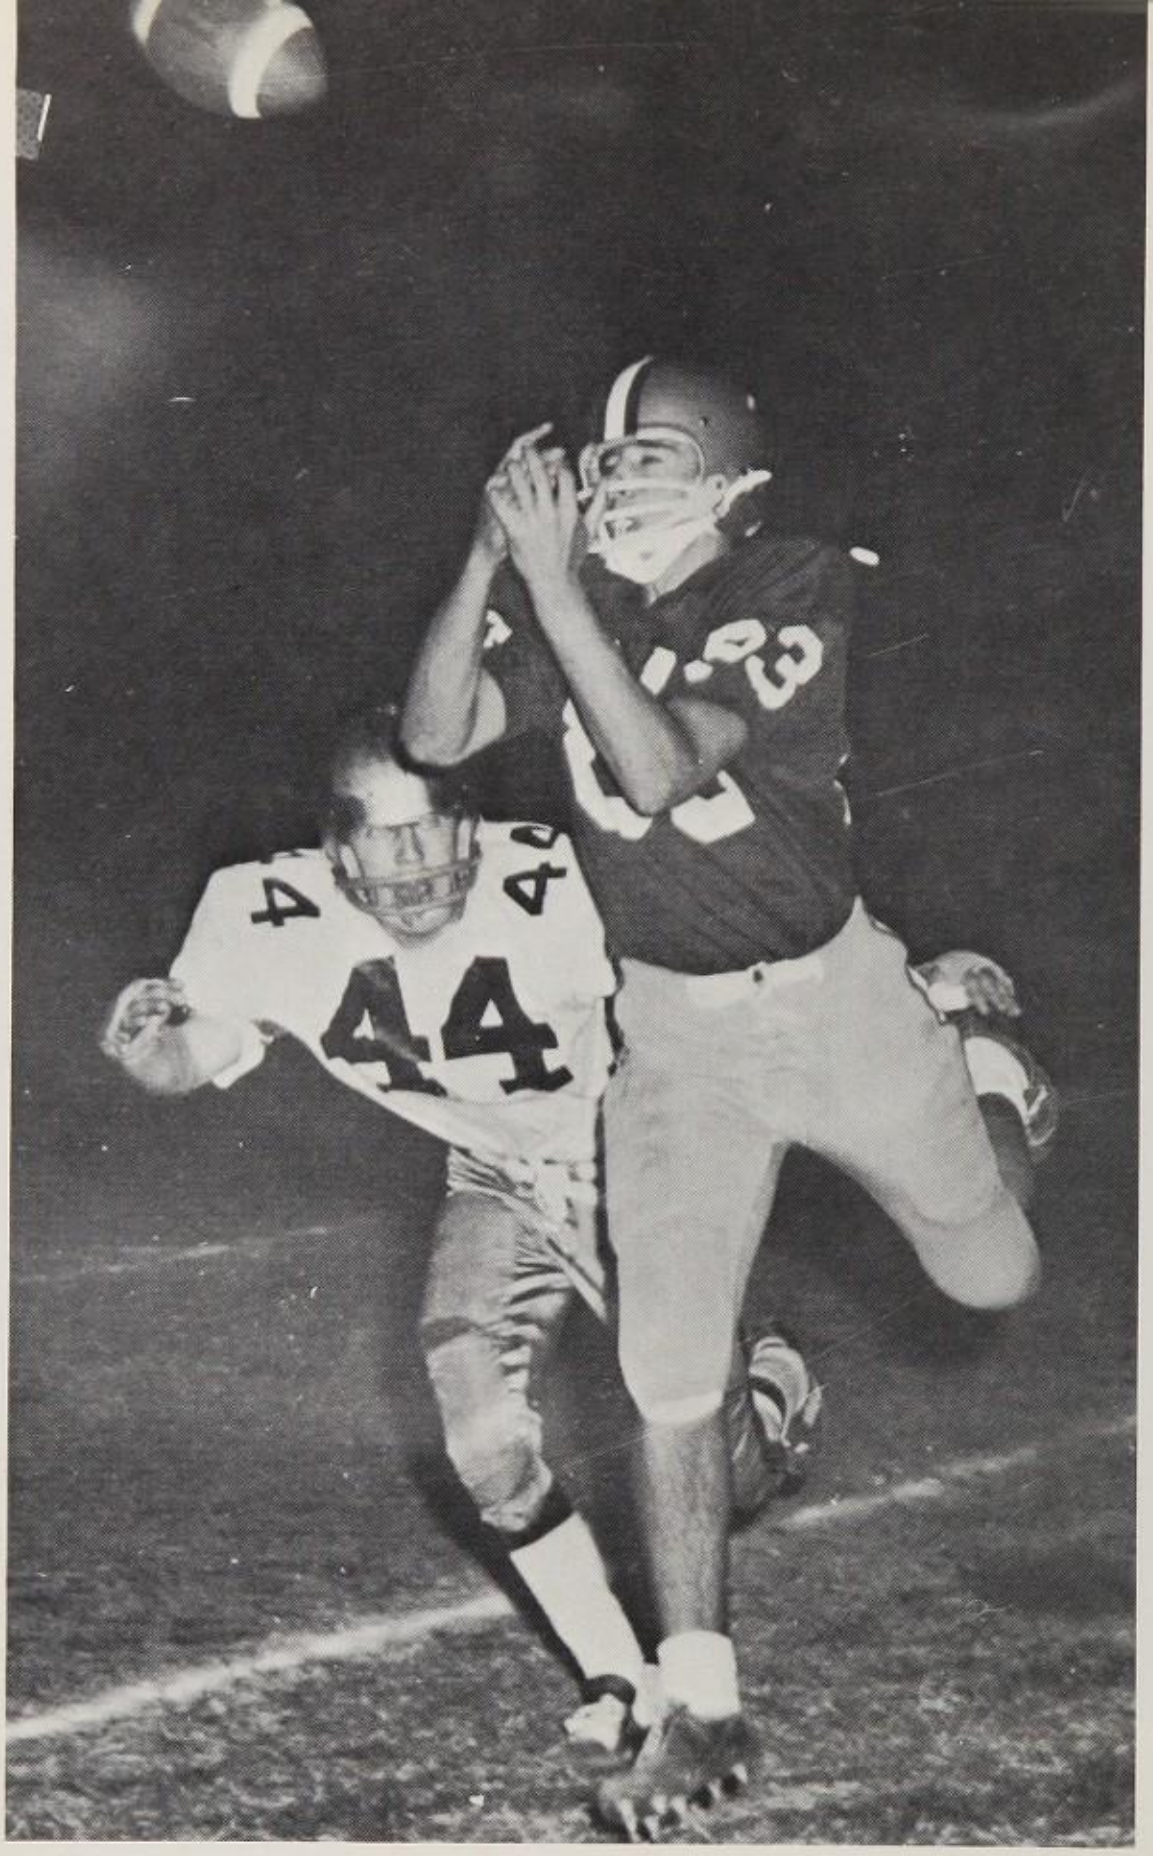
JIM SHEPPARD (42) goes high with undentified Loara man for ball, as BILL HAMILTON (51) comes in to help defend.

Opening the season against three of the toughest teams in Southern California, Loara, Manual Arts, and number one CIF ranked Blair, the Indians found it tough going. 1969 was a building year for the JBHS gridironers, but speed and hard work made up for lack of size and experience.

In a losing season a team works that much harder and a great deal of team effort was put forth here. Hard work was also sparkled by the many fine individual efforts seen in our games.

The Indians lost, yet they won. For any man who goes out with the stamina and determination to play football and plays to win can never lose. The desire and wanting to win makes a team work hard. Your can't take any thing away from a man or team that puts out and works. Hard work makes pride and the John Burroughs Indians have to be the proudest team there is.

Having the "speed" and the "moves" got it all on for TOM CULLOTA (24), here being chased by CHARLES GREER (85) of Glendale.



MARC BLITSTEIN (83) "puts out" to beat his man, defender JERRY VOORKEES (44) of Glendale, for long completion.

YOKOYAMA (22) of Glendale breaks away again only to be brought down from behind by DAN BARNHART (62).

Individual standouts spark building season for Indians

Indian defense had a tough job this year, but came through. Here GARY DEATON (78) and ART IBARRA (85) pursue Glendale ball-carrier CHESTER YOKOYAMA (22).

JIM SHEPPARD (42) battles defender DAVE PROVAST (46) of Glendale for pass reception.

BILL BARRETT (21) fills up hole to stop half-back CHESTER YOKOYAMA (22) as defense stops Glendale again.

Indians clash with Bulldogs

Quarterback, TIM MOLINA (10), trys to avoid Burbank's JOHN MINOR (21) and DENNIS ROGAN (41).

The JBHS Indians clashed with the Burbank Bulldogs in the annual battle this year with the Indians being plagued with injuries. Tom Culotta, top rusher this year, was out with injuries along with other backs Mike Hormouth and Mike Holzer. Steve Sheehee, junior quarterback, came out early due to a hand injury and Tim Molina was called upon to carry the load for the remainder of the game. All league defensive backfielder Glen Beaubien was also on the scratch-list with a broken hand. But the spirit did not die at Burroughs, for it lived all season. The support of students and Pep Squad, and the over whelming cheering of everyone at the game proved that the pride that was won was greater than any physical defeat.

The Indians look to next year with great expectations for a more successful season. Many of the outstanding Juniors who helped lead the team this year will bring back with them much of the enthusiasm which will make for a successful season.

Converging on a Burbank runner CLAY WILSON (20) and BOB NICHOLS (66) bring him down.

Holding onto the leg is DAVE VASQUEZ (33) as another Burroughs man reaches out to give a hand to help bring down Burbank's JOHN MINOR (21).

Surging Indian and Dog Lines explode as they confront each other.

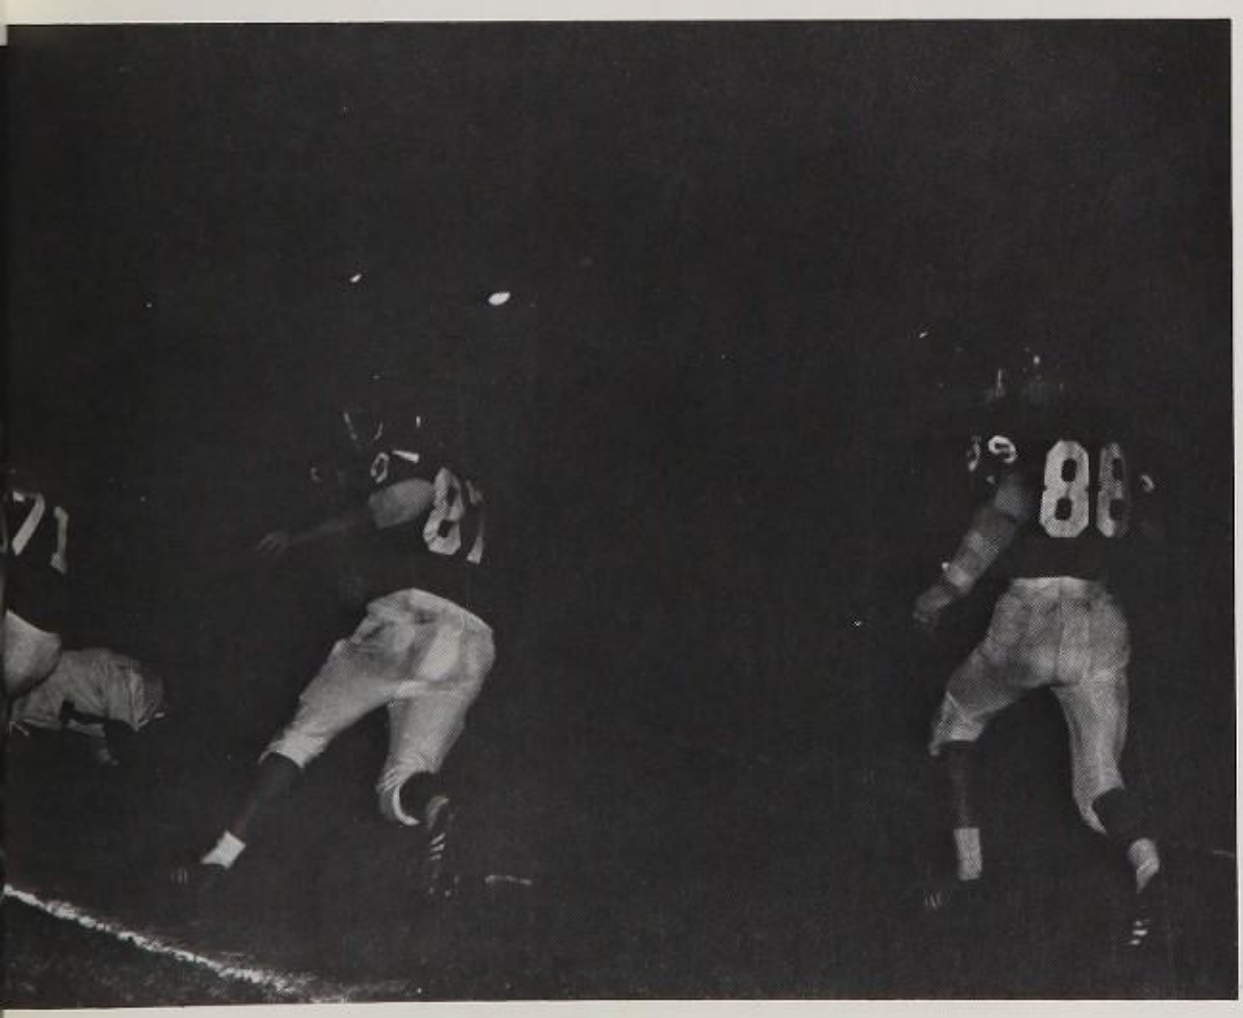
Fighting his way through Pasadena blockers is STAN EVERHART (43).



Getting a few extra yards as he pulls tacklers forward is JON FUNK (22).

Working with inexperience but with a lot of enthusiasm, the 1969 Burroughs Braves had a dedicated, learning squad. And dedication was the word as the Braves proved their toughness by sticking-out every game and hanging-in till the final gun.

The team was led this year by individual stand-outs including offensive back John Funk. Dan Ossello sparked the defensive squad with Dennis Petras making his stand on the line. Key injuries balked many "B" efforts, as Kent Whitsal with great promise of being a fine quarter-back, was out on the scratch-list for most of the season.

Topping off their season against Burbank, the Braves proved their potential for the future by putting together one of their finest efforts. The "B'S" have great hope for the season to come.

COACH DAVE WOOD led the splashers in his first season here at Burroughs.

The three-year-old JBHS water polo team finished the most successful season with a 6-6 record finishing fourth in league play and 8-6 overall for the season. The tank dwellers were led this year by MR. DAVE WOOD who is working in his first season here at Burroughs. COACH WOOD deserves a great deal of credit as his team drowned Muir and cross-town rivals Burbank, both top rated teams.

The team was led by captain MIKE NORRIS outstanding goalie and all-league candidate. MIKE KOLJOIN was the team leading scorer with 36 goals. BRUCE McLANE held up the guard position this year showing some outstanding play. BRAD BRIDGES and KEVIN McVERRY pushed through the goals with strong arms in the forward position.

The B-team this year put out a building season narrowly falling behind their opponents by one point in four games. The Bees had one of the most outstanding defenses in the league and the offense was led by high scorer DAVE CRAWLEY with 26 goals. The Bees also finished their best season with a 5-9 overall season record.

The Varsity Waterpolo team was led this year by senior captain MIKE NORRIS.

Watery battle insued as Hoover Tornadoes invaded JBHS tank and squeaked by with a 5-4 Varsity win.

(Low score wins)

In the league opener the Burroughs harriers traveled to Pasadena to face the tough Pasadena High School. The runners went out and pulled off a suprising win against the Bulldogs 28-29.

The harriers then ran into the three toughest teams in the League, Cresenta Valley, Glendale and Burbank and lost all three. Throughout these meets senior RON REGALADO and junior BILL BUSS were consistently turning in strong efforts.

Then the Indians traveled to Pasadena again, this time to face Blair. Most of the Burroughs runners turned in their best times of the year with REGALADO leading the way running a 9:48 for the two mile. Burroughs won easily 17-36.

Trying to complete a sweep against the Pasadena School, the Indians went to Oak Grove Park in La Canada to face Muir. The runners easily out distanced the Mustangs 18-35. The Indians finished fifth in the League.

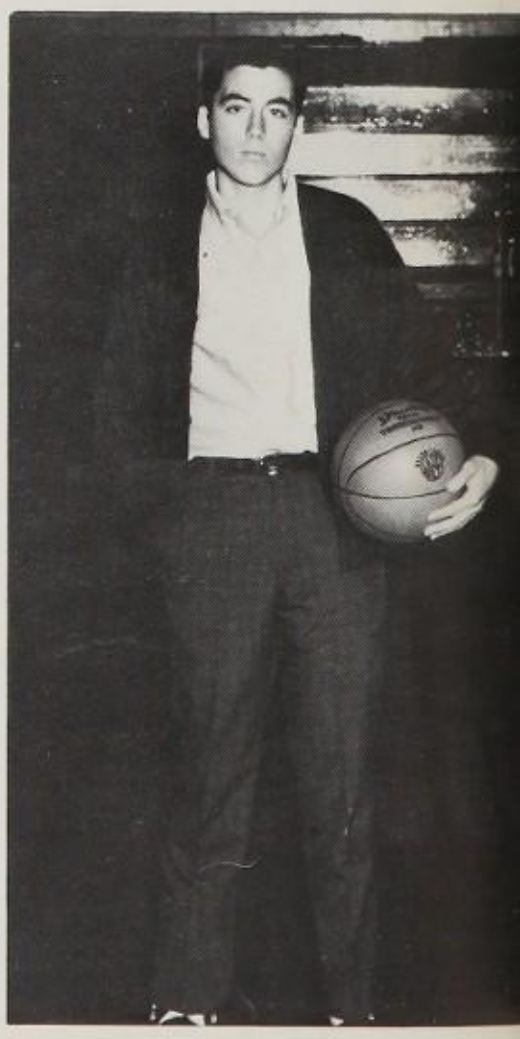
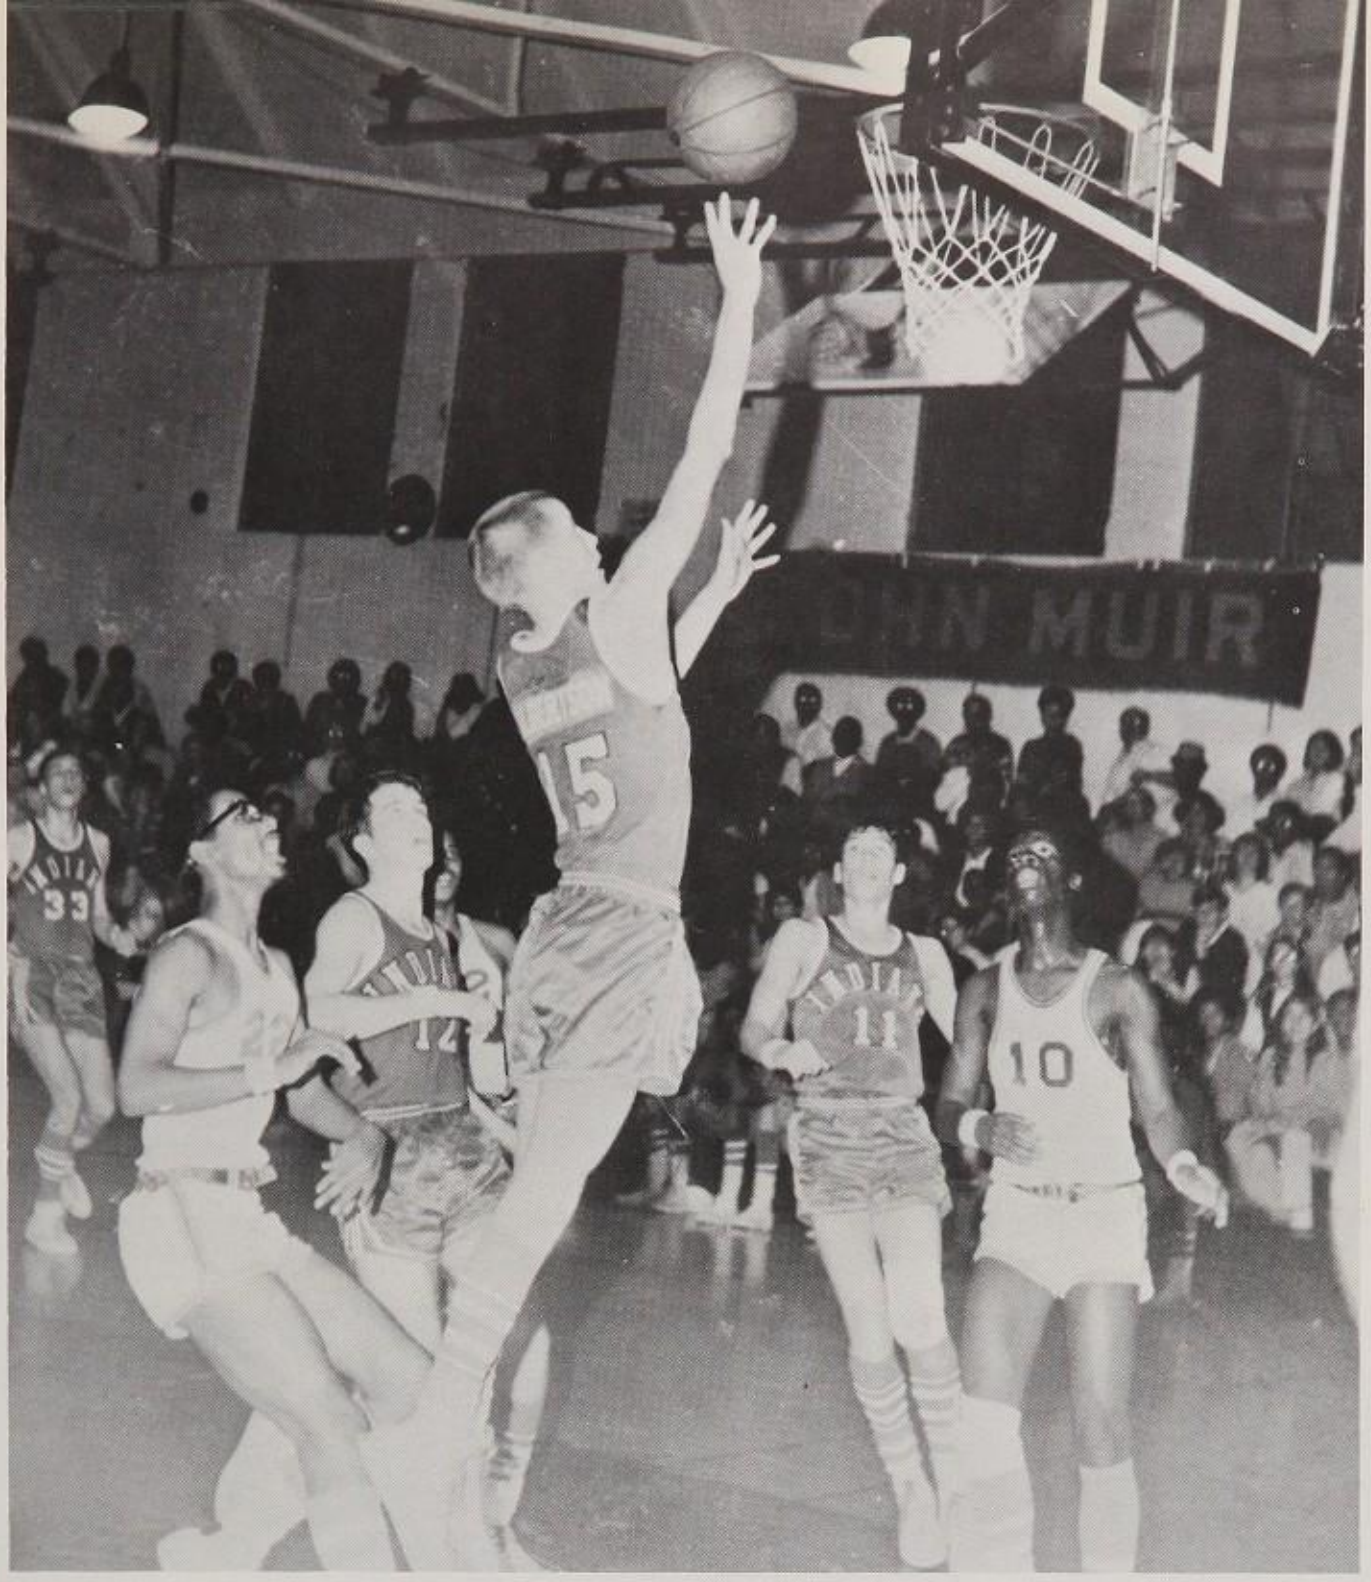
Leading the Varsity basketball squad for his second year is personable RON CRAIG.





Junior KRAIG ALBERTSON (15) drives in for a lay up as BOB KINZEL (12) and KEVIN ANDERSON (11) move in to assist.

"A" Basketball

This year's team opened the season rather inexperienced with only two returning lettermen, GEORGE SZELAZEK and BOB KINZEL. Help came from the Bee team in the form of KEVIN ANDERSON, KRAIG ALBERTSON and RANDY BERNARD.

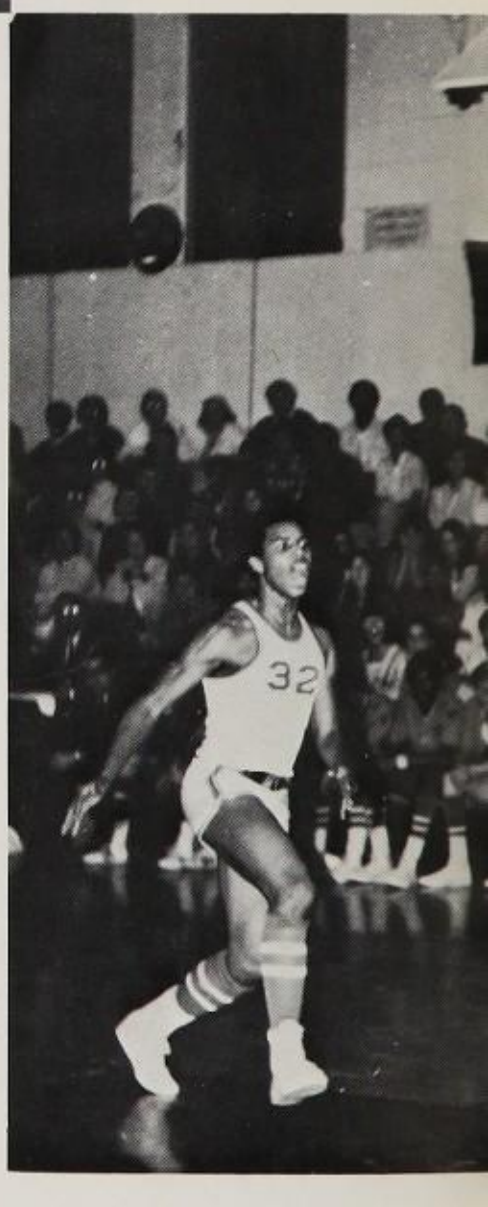
BOB KINZEL had played very good basketball this year and is starting center even though he is one of the smaller men on the team. BERNARD is one of the starting forwards and perhaps the best player on the team and is leading the Indians in all departments (shooting, rebounding etc.) except assists.

The player leading in assists is KEVIN ANDERSON (who has already broken the school record for assists). ANDERSON along with ALBERTSON are two of the best backcourt men in the league. ALBERTSON is a very fine shooter and very good on defense. They have a very good backup man in AL BALLESTER.

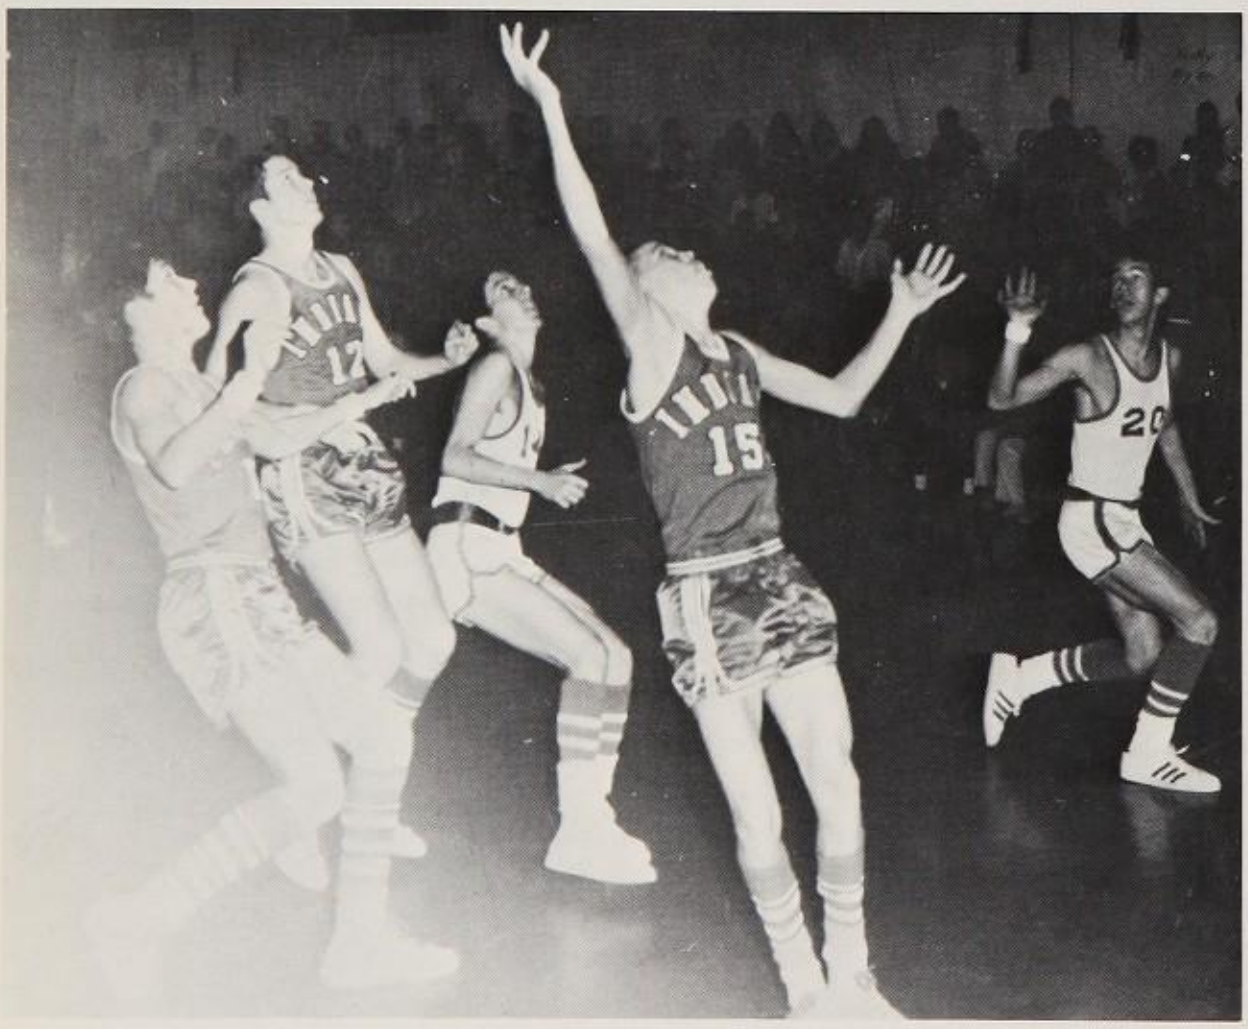
At the other forward, JIM BRANDER and JOHN SNYDER trade off. Both are fine players and good shooters.

With two returning starters, BERNARD and ALBERTSON, the outlook for next year's season has to be brighter.

Beginning the contest, BOB KINSEL (12) and Muir center go high for ball control.

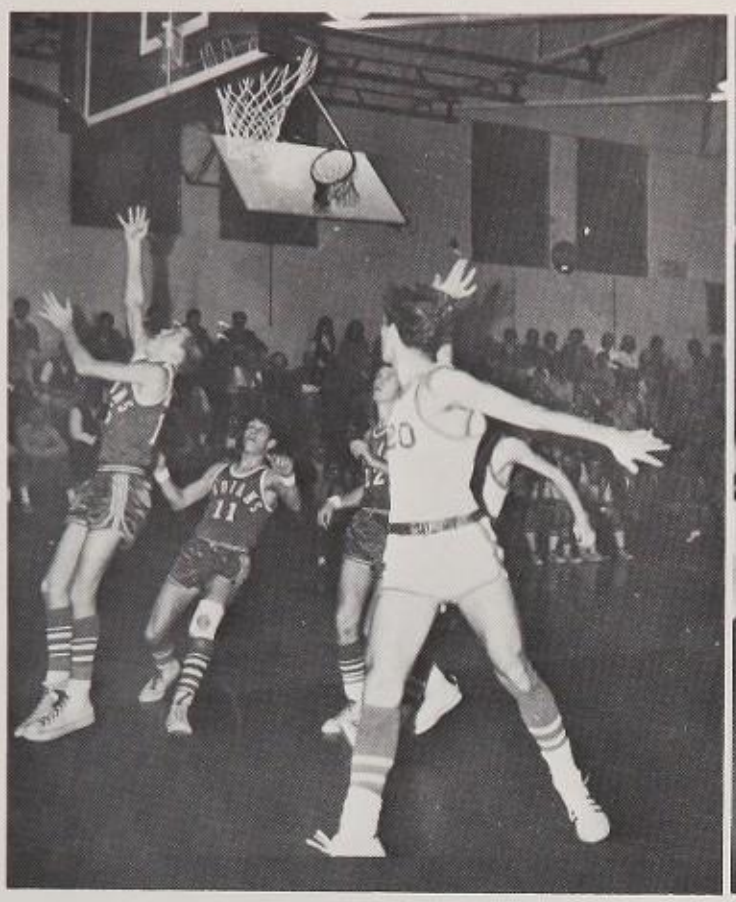


After beating his man down-court, KEVIN ANDERSON (11) is all alone for an easy "two."



Getting into position, BOB KINZEL (12) and KEVIN ANDERSON (11) prepare for possible re-bound after lay-up by KRAIG ALBERTSON (15).

Cagers build stamina



Unidentified Burroughs's man goes high over Muir defender for two points.

It's KRAIG ALBERTSON (15) again for two points as he makes an easy lay-up.

Demonstrating his fine outside jump-shot is KEVIN ANDERSON (11) as BOB KINZEL (12) awaits possible rebound.

Watching as team-mate lets loose for two points is JIM BRANDER (33).

Demonstrating his "favorite and best" is KRAIG ALBERTSON (15) with an easy lay-up and another "two".

Players move in for position awaiting jump-shot from unidentified J.B. cager.

With only one returning letterman, CARMEN GOGLIA the Braves had to rely strongly on the talent of Seniors LON BRADSHAW and Juniors JERRY DOWD, LYLE HELLMEN, JERRY MARTINEZ and RON TAMILLO all up from last year's Bee Reserve squad.

Helping out when they were needed were some very promising Sophomores. LEWIS STONE displays all the talent of becoming a fine guard — DOUG ANDERSON is developing into an excellent forward. Coming from the football team to help out are BRIAN ASH, JIM BOLAND, JEFF BUDRICK and RON FRANCE.

In the two pre-season tournaments the Braves took second in the Workman-Wilson and third in the Foothill. In both of these LON BRADSHAW was selected to the All-Tournament team and JERRY MARTINEZ was selected to the All-Tournament team in the Workman-Wilson.

Lack of experience did not hamper the Bees this year and they should be even greater next year.

In his second year as Bee coach, athletic director BRIAN HURST has brought a fine style of leadership and coaching to his winning teams.

Bee contest begins. J.B. and Blair centers face each other.

Presenting good form on an outside jump-shot is JERRY DOWD (15).

Fighting for rebound during Blair battle is JEFF BUDRICK (20). The Braves went on to prove to be the better team.

Braves bring our best in talent

Cornering Notre Dame ball-handler behind basket with good defense work is JERRY DOWD (15).

There is doubt as to which way the ball shall go (!?) as LONNIE BRADSHAW (23) goes up for jump-shot.

Showing versatility of Brave Squad RON TAMILLO (33) also goes up for two-point jumper.

Double-teaming Pasadena man for rebound is RON TAMALLO (33) and LONNIE BRADSHAW (23).

Play resumes after a ball-tie-up as teams come together at end of court.

Dropping in an easy two is Senior CARMEN GOGLIA (22)

powerful team

One of the better vaulters in the league, TOM McGREGER demonstrates excellent height.

The 1970 Burroughs Track Team is one of the best teams that Burroughs has ever had. They have good balance in all events and no real weak spots on the whole varsity team.

The Indians are led by perhaps the best sprinter in the league and one of the best in C.I.F. DWIGHT KELLEY. Leading the way in the hurdles is KEITH STEIN. STEIN, who is only a junior holds both league records in B-high and low hurdles. Helping out in the sprints and hurdles are DAVE TELLEZ, JESS TALAMONTES, BRUCE WALLACE, TIM BURNBAUGH and TIM HEHR.

In the field events the top performers are JACK WEED in the high jump, TOM MC GREGOR in the pole vault, BRUCE WALLACE in the pole vault and long jump and JOHN HUITINK in the shot put.

In the distances the Indians are led by MARTY LARNER in the 440 and 880 and RON REGALADO in the mile and 2 mile. Backing them up are BILL BUSS, PAUL BITTICK, STEVE TAYRIEN and VINCE PUPLIESE.

Since many of the top performers are only juniors it looks as though Burroughs will be even stronger next year.

No. 1 long-jumper and all-around iron-man of the team is BRUCE WALLACE.

Top high-hurdler this year is Keith Stein who combines speed with excellent form.

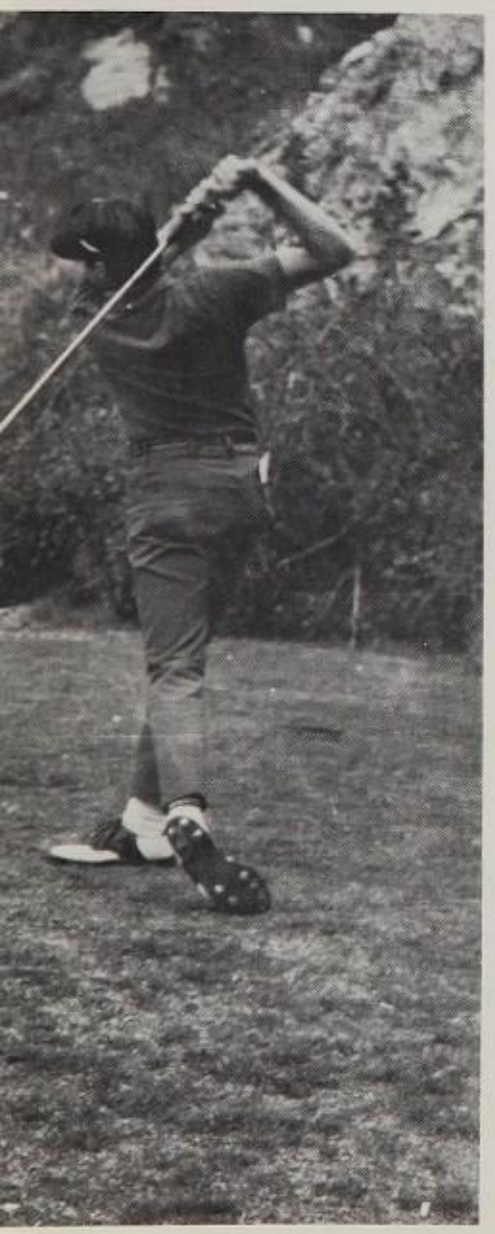
Legging out cross-country trek, CURT GUSTAFSON and CHARLES HOY, head for last green.



Form is key word to success of Number 3 man, GARY CATES.

This years 1970 Linkster Team at J.B.H.S. is setting a high goal for itself in looking toward a football league title and a few C.I.F. marks besides.

Coach GEORGE BOONE has led the golf squad for many years now and has great hopes for a successful year. This years team is led by LOWELL SHIRA, DAN POULIET (Junior), and GARY CATES; one, two and three men respectively. SHIRA has sparked the pre-season, running away with many low-medalist honors. DAN POULIET took top honors in his Sophomore year with just shear young talent and is now one of the top team athletes. GARY (GATES) CATES happens to be one of the most well-balanced athletes around and makes his respective stand by showing a well-developed style and form on any course.

It may be said that the Golfers at Burroughs are one of the most unsung group of heroes we have. As a dedicated group of hard-workers, they are carrying over the high degree of spirit which follows all J.B.H.S. athletes.

Building year for tennis

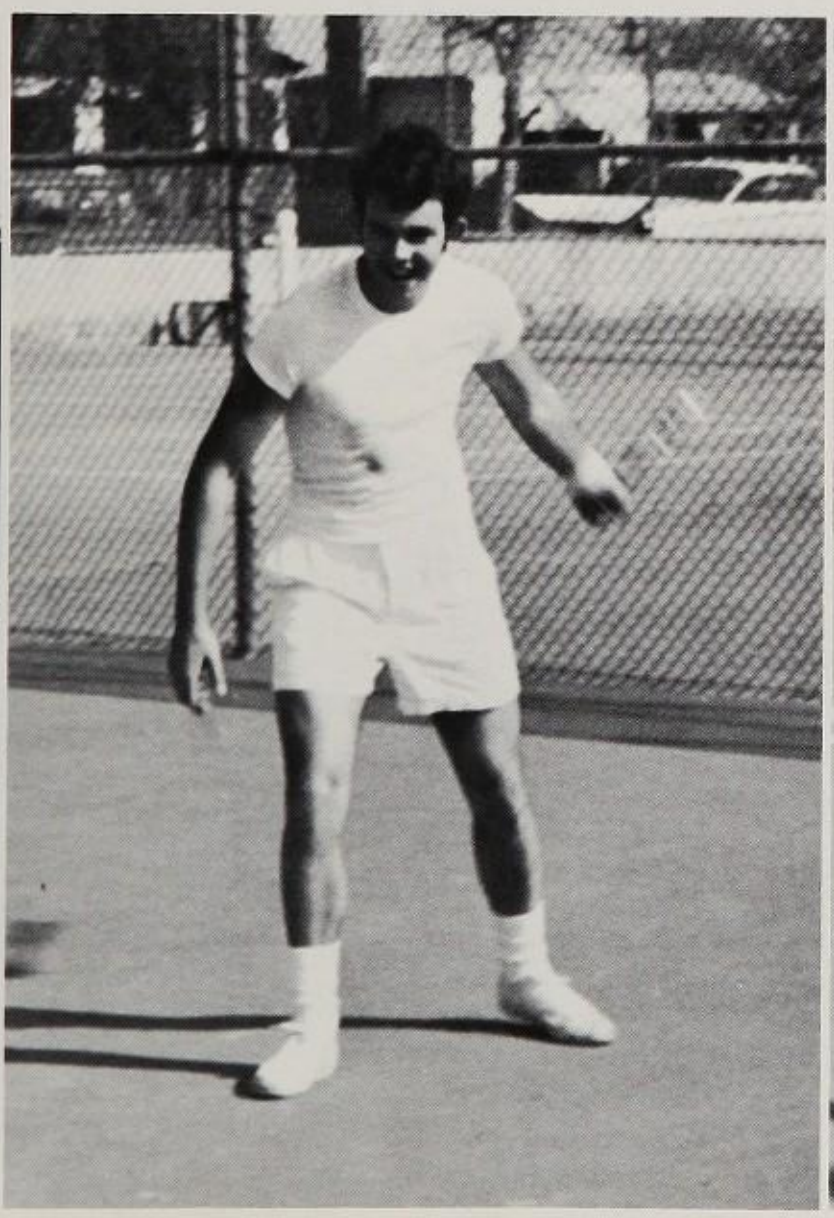
TENNIS

The 1970 Tennis season would have to be called a building year for John Burroughs Indians. A very small turnout hurt the effectiveness of the team.

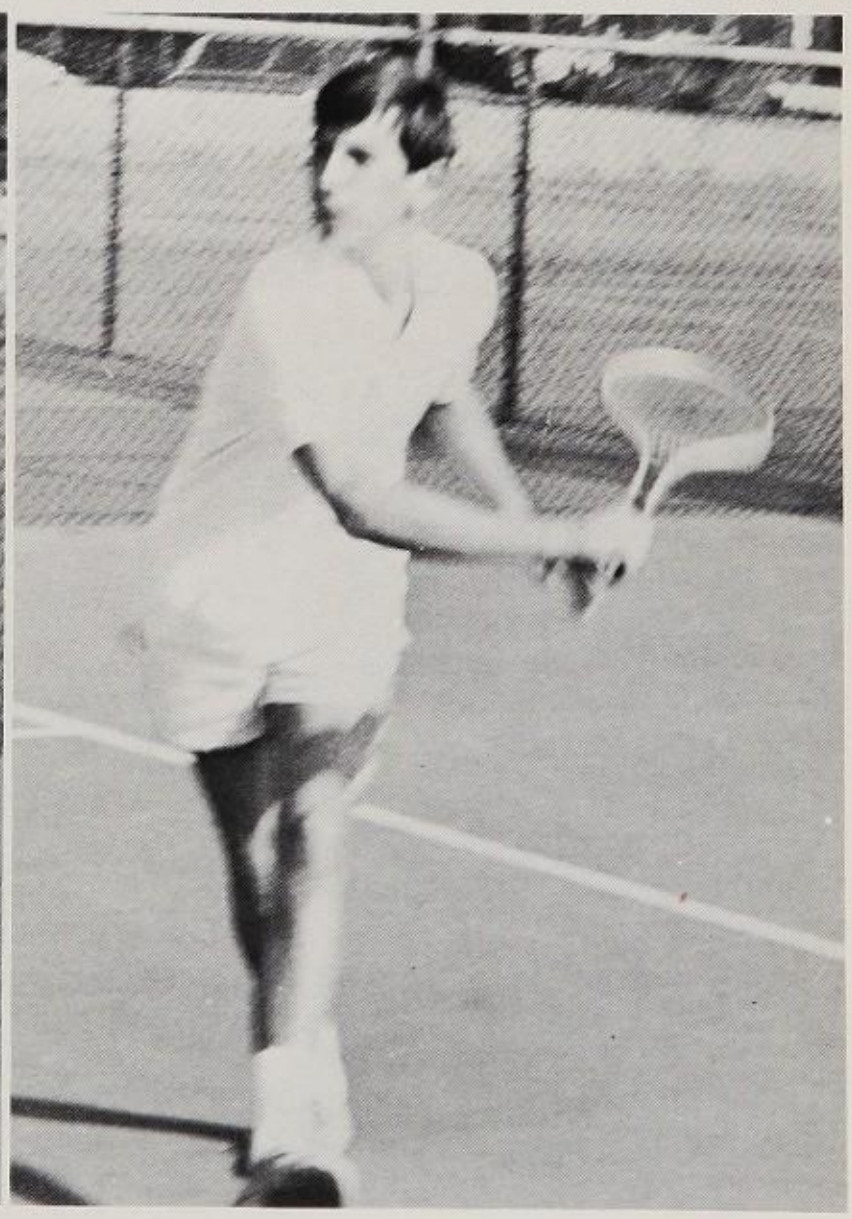
The netters were led by Captains BRIAN MARKS and BRUCE BERNHART. MARKS in his third year of tennis is the number one singles player. STEVE SELF, also a senior, is the number two singles player.

In the doubles the racketmen are led by seniors BRUCE BERNHARD and GARY PHILLIS. Since the majority of the team is sophomores and juniors the future is a lot brighter than the present.

Extending himself to reach the ball is senior JEFF O' BRIEN.



Preparing to serve the ball is senior STAN HEPNER.

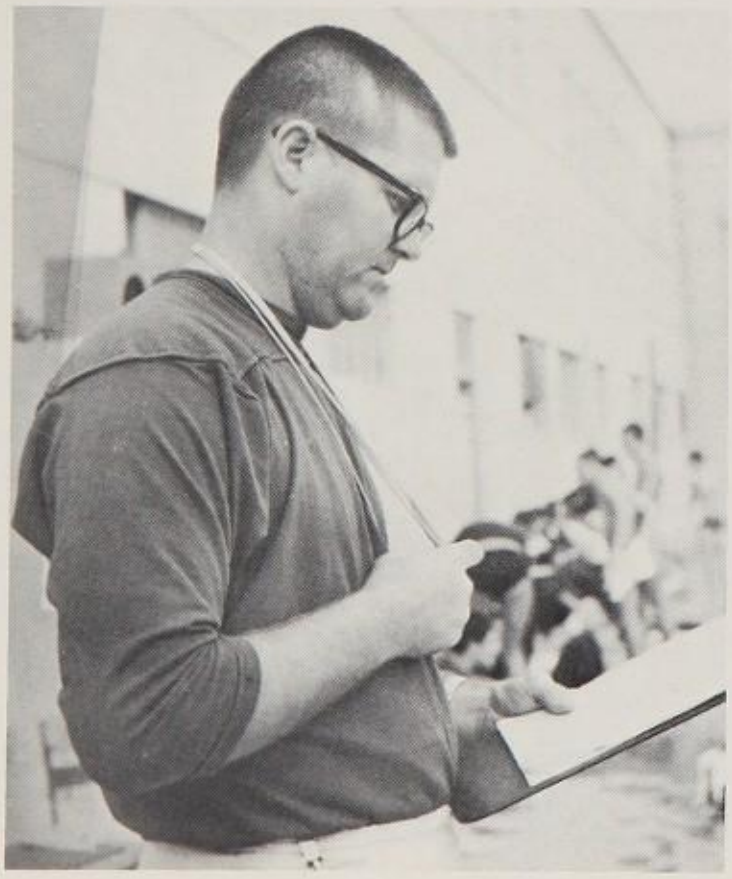


Powerful forearm displayed by STEVE SELF makes him one of the outstanding players on the tennis team.

Tanksters have top

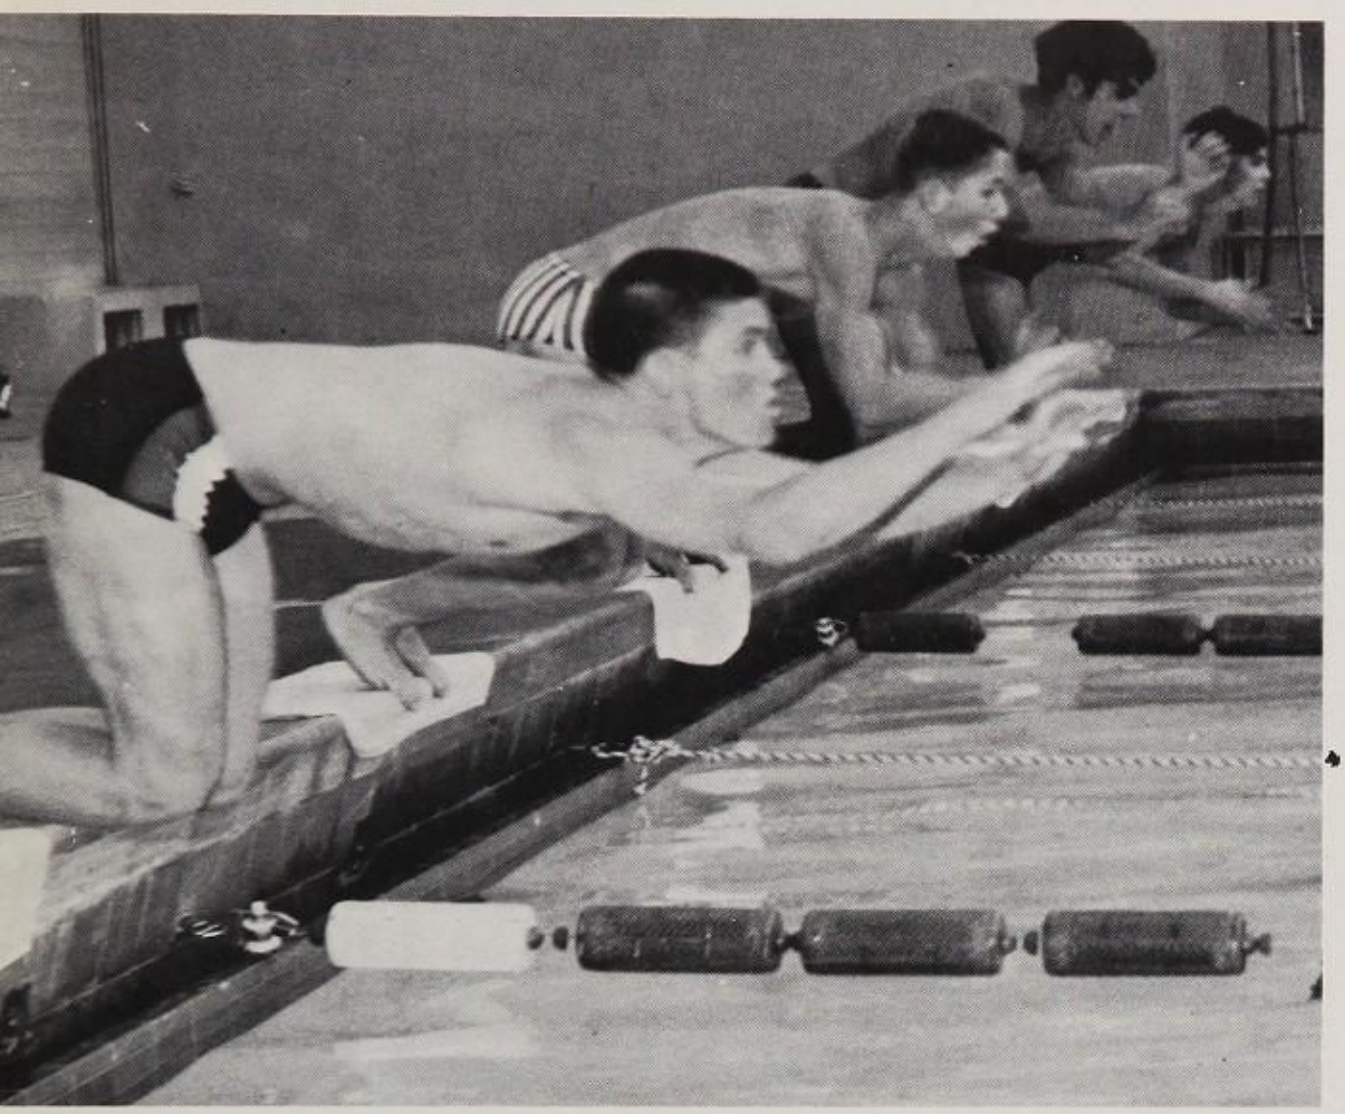
This year's varsity swim team Top Row (L To R): MIKE KOLJAN, JIM SEGNALIAN, BILL MC ALLISTAR. Middle Row: MIKE WHITCOMB, TOM LEROY, KEVIN MC VERRY, Bottom Row: GLENN DIETZ, DICK BOPP, GARY STORARICK.

Top Row (L To R): JIM WINTON, BRUCE MC LANE, JIM SOGNALIAN, JOHN ADAMO. Middle Row: BRAD BRIGES, TORBIN SCHRODER, LARRY HANSEN, JIM WALTERS, CRAIG WOOD, GARY STOLARIK, CHRIS CADMUS. Bottom: DAVE CRAWLEY, JOE THOMPSON, DAVE CUMMINGHAM, MIKE WOOD.



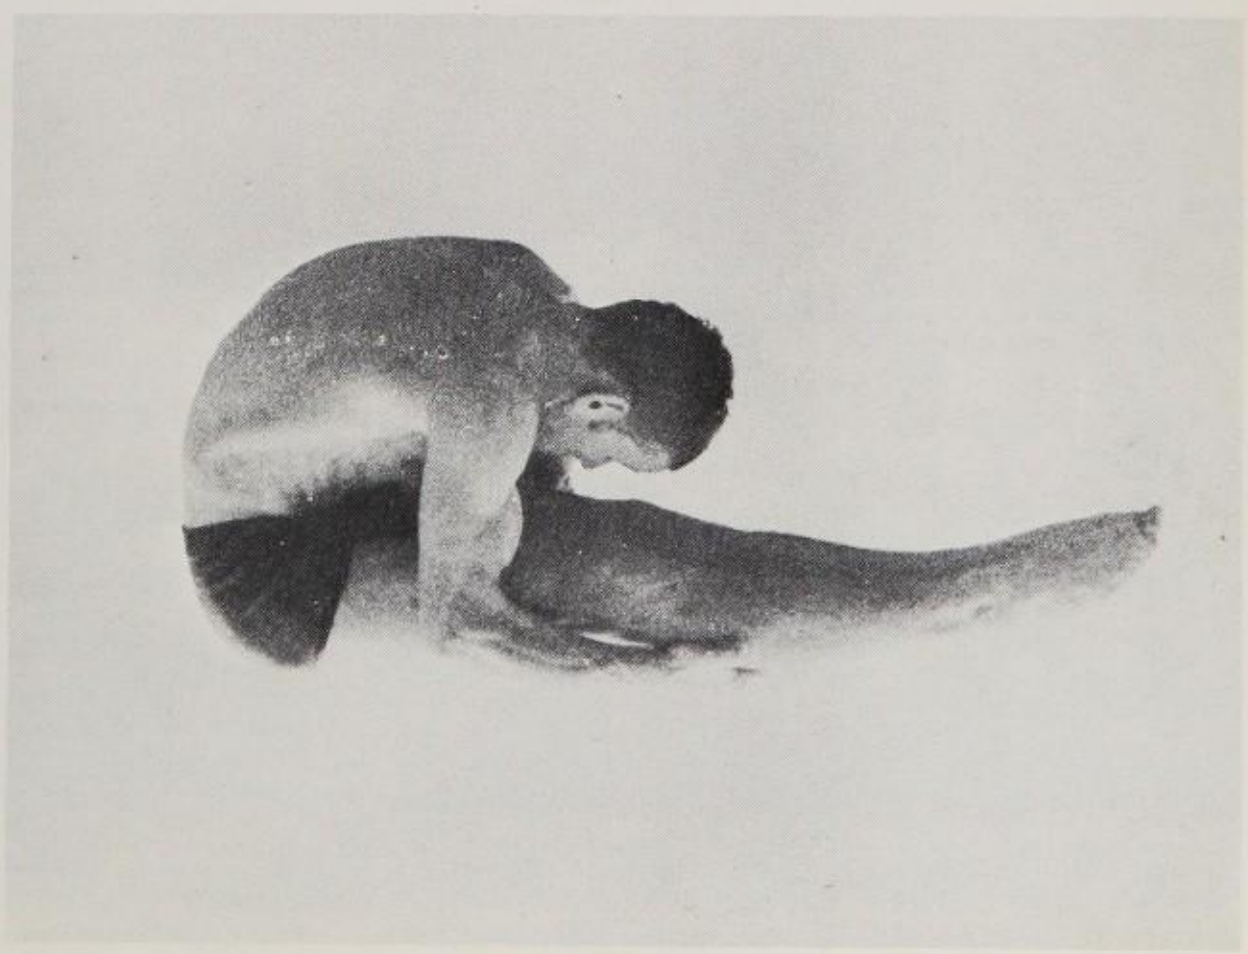
In his 6th year of coaching swimming RANDY EDWARDS, prepares his lineup for League opener against Hoover.

Top Row (L To R): GREG NISSEN, TIM ELLIS, BRYAN ARNESTAD, KEN HILLEBRAND. Bottom Row: ALAN AVERSEN, JIM SCHWRITZER, LELAND GRAY.



Exploding off the Wall to take first and second in the individual medley are CRAIG WOOD and LARRY HANSEN.

After a perfect pre-season, which includes the Bee and Varsity teams winning second and third place team trophies at the sixth annual San Gabriel Invitational and a stunning upset victory over Hoover, last year's league Champions, the Tanksters under COACH EDWARDS now look forward to knocking off the rest of the league and winning it all. This year's Bee team has already set six school records with such outstanding swimmers as DAVE CRAWLEY, JOE THOMPSON, JOHN ADAMO, GARY STOLARK, CRAIG WOOD and BRAD BRIDGES. Leading the Varsity are DAN MC FARLAND, DICK BOPP, KEVIN MC VERRY and MIKE KOLJAN.



Possibly the best diver in the C.I.F. this year is DAN MC FARLAND as he shows good form as he reaches for Foothill league competition. Other members of the diving team include BOB COX, TIM BEHUNIN and LARRY ZEGER.

Scrappy sackers bid for title

The 1970 J.B. Varsity Baseball squad is one of the toughest teams in the Foothill League with nine returning varsity lettermen.

Outfield and pitching positions were held down this year by (Back, R-L) STEVE SHEEHEY, (CF) DENNY KRANSBURG (Play Manager: RF), DAVE NELSON (RF) and GEORGE SZELAZEK; (Bottom) FRANK PORCO, MIKE CURTIN, TERRY IRWIN (pitch) and DAN MARTIN (CF).

Tying down the diamond in the infield this year are (Back) ROGER LIFSEY (C), JEFF ROSS, MARK HOLLIS (1B), MIKE BUCK, (C), MARK EBLEY (2B); (Bottom) MIKE HOLZER (3B), ZACK MINASIAN (SS), Glen BEAUBIAN (2B), and RICK REYNOLDS.

Tense pre-game bustle prepare J.V. squad before hustling defense takes the field.

The J.V. squad this year under the leadership of Coach CRAIG BELL has built one of the most powerful offensive teams in the league.

Dampening clouds do not dampen spirits of J.V. rooters as unidentified opponent takes healthy cut at pitch.

Baseball

This years Varsity baseball team is making a bid for a Foothill League title and a CIF play off berth. Coach JERRY LIBMAN who took over the squad just a season ago has built up one of the strongest title contenders in the league. LIBMAN not only confronts his opponents with nine varsity returning lettermen, including pitchers FRANK PORCO and TERRY IRWIN, but his fast new (Go-Go) style of ball has cut down on wasted time and made Baseball a more interesting game.

The team is a well-rounded balanced group that comes through with the right combinations in a winning style. The left side of the diamond sporting MIKE HOLZER (3b), ZACK MINASION (ss), and GLEN BEAUBIAN and MARK EBLEY (2b), combine for one of the fastest double-play combinations in the league. GEORGE SZELEZEK and DAVE NELSON holding down left and right fields respectively have two of the deadliest arms of any outfielder. SZELEZEK'S clutch power at the bat is also proving to be an important Indian weapon.

Coach CRAIG BELL in his first year with the J.V. Squad is an excellent coach, with determination which is reflected in the efforts of his many fine players.

Over all the squad is reflecting the great winning spirit at John Burroughs, and is making winning a reality.

Covering first base on possible play is J.V. hustler SCOTT NELSON (15).

The appreciation I feel to those people who made the 1970 AKELA possible, is hard to express in words. Many thanks go to MR. JACK MITCHELL and his gang in the Press Photo class, whose efforts have made possible the photography around which the AKELA is based.

We, in the AKELA STAFF, have to express our greatest gratitude and love to MR. CONLEY MC LAUGHLIN (MR. MAC) for guiding us (but mostly putting up with us) in making "Our Thing" possible.

The spirit at John Burroughs this year has been undying, and will live on as long as there are people who care and are proud. When today becomes tomorrow and our thoughts of now become only warm memories of good times we once knew, look around and remember a time when we were young. To all those who began a new decade and made the Class of '70 possible, remember how we did "Our Thing", and how we did it together.
